MISSIONS COMMITTEE REPORT

The Associational Missions Committee met four times during the past year to discuss the various aspects of its work relative to missions. There have been two or three significant thing to come to the attention of this committee.

It was the wishes of the Missions Committee early in the year to take a census of the Somerset Community of Person County and then ascertain the possibility of establishing a mission in said community. After a compilation of the statistics gathered was made, it was decided to meet with those of the Somerset Community who were interested in establishing a mission. A great deal of enthusiasm was engendered, and at the time of the writing of this report, organization of said mission will have taken place on the first Sunday in October with the Longhurst Baptist Church as sponsor. In addition, arrangements are being made to secure a meeting place in order to conduct a full program of Sunday Services, We, of the Missions Committee, cannot overemphasize the fact that this project is not just that of Longhurst Baptist Church but of the whole association. Each church should have a part in this venture and should support it financially.

Furthermore, the Welcome Baptist Church of Caswell County has made proper application to the Beulah Association for admittance to the fellowship of the association. The Missions Commitee has examined the credentials of this church, presented them to the Executive Committee of the Association, and now upon favorable action of the Executive Committee present the Welcome Baptist Church of the Association for admittance in good standing.

Our work this year has been fruitful, and with the prayers of all we will continue to give assistance to our Associational Missionary in carrying on a full Missions Program in Beulah Association.

Respectfully submitted,
Benjamin E. Berry, Jr., Chm.

STEWARDSHIP REPORT

Our Stewardship record for the past year is completed and recorded. You are aware of your individual record and that of your Church. In some areas we have made improvement but in no area of our program have we done all we could However we thank God for the good that has been done by our Churches and pray for strength to be better stewards in the year ahead.

Our Christian Stewardship can be met only by lives which reflect in every relationship the fact that God is the owner of all things. May each of us learn that Christian Stewardship is the recognition that ALL we have of money, of talents, of life, are a divine loan to be used wisely and administered as a sacred trust.

In this critical hour the Master waits for our decision to accept the responsibility of Christian Stewardship in a greater way than ever before, Christ is speaking to our churches now, calling upon us to walk the High Way, to give spiritual values an important place in our lives. We cannot fail Him. We must not fail Him!

Respectfully submitted,
Mrs. J. J. Woody

REPORT ON THE NORTH CAROLINA BAPTIST HOSPITAL

The Baptist Hospital of North Carolina serves the people of this state through its ministry of healing, helping and training. During the year of 1960, over 16,857 bed patients were served, more than 78,000 visits made to the Out-Patient Department, and more than 75,000 visits made to the Private Clinic. The staff of 1,200 serves in the entire healing ministry of the hospital.

During the past year several new services have been added to the work, including the Progressive Care Unit. This addition provides 80 beds for patients who do not require the more intensive, expensive care of the regular hospital. Another innovation is a new type unit for the sterilization of surgical instruments by gas. In the X-Ray Department a rapid film developer has been purchased to expedite greatly the preparation of films. The most recent addition is a Pastor's Library that was given to the Hospital in memory of Walter Williams of Burlington, by his wife.

The most pressing needs of the Hospital are very important ones that need immediate attention. One of the primary needs is that of additional teaching space for the medical school and for the seven other schools operating in the capacity of producing Christian men and women specially trained for their fields of service. Moreover, the Out-Patient department, the Children's Center, and the Psychiarty Department are terribly overcrowded and the need for more room is acute.

Forty percent of all medical care provided by the Hospital is for those patients who must have financial aid. While serving them is at the very heart of the Hospital's ministry, the cost, nevertheless, is very great and continues to increase. The Mother's Day Offering is used specifically for the support of the medical attention by these service patients. There is never quite enough money to do all that needs to be done.

There are several ways that you may help the hospital in its work. First of all, every Baptist should make it a matter of personal prayer. Then there are several tangible ways that this may be done. The Service Patient Endowment Fund has been set up for use by service patients and you may contribute to this Fund in honor of a friend who is ill. You may give in the memory of a deceased friend; you may establish a memorial gift in the name of a love one; you may remember the endowment in your will. Perhaps the way that we can best remember this work is by giving generously on Mother's Day. The way we give is not the most important thing. It is paramount that we G-I-V-E.

Respectfully submitted,
James O. Shurling

REPORT ON CHRISTIAN LITERATURE

Christian Literature is finding a prominent place in the religious life of Christians everywhere today. Christian leaders are seeing the needs of the people and the ministry that can be afforded through Christian reading matter.

Our own denominational agencies are quite aware of this opportunity to serve Baptist folks and are putting forth strenuous efforts to provide the best possible materials. Through our organizations, such as Sunday School Department, Woman's Missionary Union, Baptist Training Union, The Brotherhood, etc., we of the Southern Baptist Convention provide helps and guides for Christian development and maturity.

Other than these specific organizational materials, Baptist are offered the Home Life Magazine, which gives spiritual guidance to Christian family life. From a state-sponsored source comes the weekly paper Charity and Children, which gives reports on matters of interest regarding state agencies, personnel, and news.

Quite outstanding in many persons' view point is the North Carolina state paper The Biblical Recorder. This paper is offered to Baptists of the state each week either through the church budget or on a personal basis, at a very low cost in any case.

Consider the value these materials can be to you and your family's spiritual development, and take steps to make use of these well-planned sources of Christian literature.

Respectfully submitted,
Bob J. Porterfield

BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their children. Well trained case workers are spending an increasing amount of time working with and stengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 per cent
Cooperative Program	32 per cent
Once a Month Offerings	18 per cent
Special Gifts and Endowment	17 per cent

Members of the Board of Trustees, members of the staff and the boys and girls wish to thank you for your generous support. You have given these children, love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of the support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to come to reality.

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation in higher than ever before - - well over 52,000. Every family in every church should receive this Christian newspaper.

Respectfully submitted,
C. E. Price, Jr.

AMERICAN BIBLE SOCIETY

Please listen to this earnest appeal of a Chinese college student: "We students want to know Jesus. We must have this book." Then listen to another who says: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

The words of those students express two basis principles of mission work which are true in all lands:

> People mut have the Bible because
> it presents Jesus Christ, the one hope of men and nations.
>
> Each person must have the Bible in his own language
> because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a person's heart. But, we must remember, in most lands people cannot afford even the cost of printing the Scriptures.

The American Bible Society helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need, at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world.

Because the Society serves mission work — and Southern Baptist Missionaries depend on the Bible Society for Scriptures they need for their people — Southern Baptist Churches believe in the missionary importance of giving to the American Bible Society.

In 1960 Southern Baptist churches gave $151,626 to the American Bible Society. Methodist gifts led with a total of $151,934. Gifts from all churches in the U. S. A. totaled $1,001,768.

Although gifts have increased and the work has expanded, the world-wide need for the Bible is still greater than the supply. The help of every Southern Baptist church is needed. HAS YOUR CHURCH GIVEN THIS YEAR?

THE REPORT OF THE ANNUITY BOARD OF S. B. C.

Our churches and pastors should know that about 80% of the Southern Baptist preachers who occupy pulpits in the smaller churches make less than $3,000 per year. Most of these pastors are married, with several small children.

These men, like other men of God's calling, are exposed to disability, death and old age, the causes that stop their earning powers. But when one of these things does happen to them, their families will be without financial help, other than what their churches and relatives can give them. Very little financial aid could come from their churches because these churches have a membership of less than 200 members. This means that these preachers about 18,000 throughout the Southern Baptist Convention, need the protection of the denomination's Protection Plan.

This is the primary reason why the Annuity Board strongly encourages each church to assume the small cost of the Protection Plan for its pastors .Then, when earning abilities stops, they and their families will have some income upon which to rely. The North Carolina Baptist State Convention endorses this program enthusiastically. It will assume 5% or one third of the cost, leaving the church to pay 5% and the pastor 5% on the annual salary.

Please get your church and your pastor to study the Southern Baptist Protection Plan benefits. Then I feel that you will find a way to provide this protection for your pastor and for your church.

Respectfully submitted,

L. J. Rainey

IN THE COMING YEAR IT IS OUR HOPE AND PRAYER:

1. That each of the nineteen Training Unions will promote an enlargement program in November or sometime as early as possible.
2. That each of the thirteen churches not now having a Training Union, will strive to organize a Training Union for it's members.

3. That each pastor and church will plan to have the Bible Study in Jeremiah in January, and that the pastor, the Sunday School Superintendent and Training Union Director will act as a Committee within their church to promote daily Bible Reading and Prayer. Moreover, we suggest that they take as their goal, "a family worship period in every home where there is a Christian."

4. That each church on "Soul-Winning Commitment Day," January the 7th or soon thereafter organize a group for the purpose of studying "Personal Witnessing for Christ" and that this group meet for study and for carrying on a regular program of visitation. Moreover, let each church strive to enlist 10% of it's membership in this work.

5. That each church strive to have a church-wide graded study for its membership the week of February the 25th, or the most Convenient time for the church.

6. That each church have a training class for it's new members following their revival services.

7. That each church plan a Youth Week Program for it's youth at the time most convenient for the local needs.

8. That each church plan to observe Christian Home Week, "With a family altar in every home where there is a Christian."

9. That each church plan Now to participate in the tournaments next spring.

10. That each Church plan Now to participate in the Beulah Baptist Training Clinic for the Week of October the 28th, 1962. This will be a central training school for everyone promoted jointly by the Beulah Baptist Association and the Baptist State Convention.

Brethren, let us get down to the real business of leading people to become Christians and training them to be faithful co-laborers with God.

Now, I wish to thank you for your prayers, your co-operation, and your labor of love. Let me say it again, "Thank you!'

Respectfully submitted,
L. J. Rainey, B. T. U. Director

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Sunday School report for the year ending September 30 is basically one of appreciation to and for those who have been so faithful in exercising the trust committed to them as officers and leaders; and to and for those who have so graciously supported the efforts of the officers and leaders during the year. The part of the report called "accomplishments" is now history. The part called "objectives' is now being planned by Rev. Alfred E. Staley, the superintendent for the year 1961-1962. All scheduled meetings, both General and Officers, were held. The Officers' meetings were well attended and much good planning was done. The General meetings with an average attendance of 50

All goals for the year were not reached. The superintendent fell far short of his aims. All of the facts and figures are not known. But as one year goes out and another year comes in, it is my prayer and hope that through the Associational Sunday School program the churches have been made stronger in the cause of teaching the Word to all. Again, thanks to you all for your co-operation, and God bless you, Mr. Staley, as you lead in this great ministry.

REPORT ON HOMES FOR THE AGED

Baptists in North Carolina are showing interest each year in caring for their aged. In addition to the Homes already serving the needs of the aged, The Hamilton Home under construction in Martin County will provide facilities for 30 additional residents early in 1962. Another addition is a duplex apartment in Winston-Salem made possible by the generosity of Miss Roxie Sides which will open an avenue for four additional residents.

In the past year twenty six new residents have been recieved. There is now a waiting list of 130. It is easy to see that the opportunities of ministering in this field are unlimited. The lack of sufficient space is the acute problem in this ministry.

Last year 27 churches in Beulah Association gave approximately $1,000.00 to the Homes for the Aged, in addition to the amount received by the Homes through the Co-operative Program. This is a worthy cause and merits our support in money and prayer.

Respectfully submitted,
Dan J. Dunkel

MISSIONS REPORT — State, Home, and Foreign

This break-down of missions is for convenience's sake alone. Our vision of concern is to reach out "to the very bounds of the earth," giving proper attention to each place and phase as we seek to witness. Thus we present this brief, yet we hope, informative report which shall help us do more toward making every knee bow at the name of Jesus.

STATE

"Our people need to be taught and trained," is the underlined phrase of State Missions. As a result, many of the significant phases of our State Mission work are promoted through the Sunday School, Training Union, Brotherhood, R. A.'s, Church Development, and Church Music Department.

Through State Missions we support:

Our schools of higher learning. Last year 160 pastors received better training at Fruitland. The department of Church Planning which not only provides guidance in planning, but saves money by their services. The B. S. U. among 24,000 sons and daughters from Baptist homes who are attending colleges, universities, business schools, and medical and nursing schools of our state.

Other areas of need constantly challenge the resources of State Missions; namely:

1. Request for lots and pastoral aid in 1961 amounted to $170,000.
2. The Christian Action League which is helping to produce a sober and sane citizenship in North Carolina.
3. The silent people, 5,000 of them beckon to our care, love, and concern.
4. Caswell and Fruitland which serves about 8,000 assembly-goers.
5. Other ministries—summer student work, service institutions, Separation of Church and State, and Seminary Extension.
6. State Missions invest $65,000 annually in the development of Associational Missions.

HOME

The Home Mission Board is now serving in all the states including Alaska and Hawaii, and in Cuba, Panama, and the Canal Zone. The Board, at the close of 1960 had 2,035 missionaries. In addition, it employed 525 summer student workers and 200 tentmakers during the summer of 1960.

There are 431 active chaplains; 676 reserve chaplains; 92 in Air Patrol; 51 in Veteran's Hospitals; 99 in other hospitals; 73 in institutional ministeries; and, 10 in industrial plants.

The field is large and varied; new projects and emphases—evangelism, church extension, "Big City" Program, church development, and Down-town missions. And the regular work—chaplaincy, evangelism, missions, education and related ministries.

Total gifts for this phase of missions was $5,642,855.71 of which North Carolina gave, $481,156.94.

FOREIGN

Appointment of 137 new missionaries brought a new peak of missionary expansion in our history. At the beginning of this year there were 1,480 missionaries under appointment serving in 45 countries.

The objective of the Foreign Mission Board is to have under appointment by the close of 1964 a mininum of 2,000 missionaries. The objective for 1961 is to appoint 160.

Total gifts amounted to $17,237,037.58, of which North Carolina gave, $1,623,715.95. The Per-Capita gift for missions was $8.42, for Southern Baptists.

We pray God will give us the vision to see the world as He sees it; that He will give us the heart to love it as He does; that He will give us the dedication that He has so we will spread the knowledge that, "Jesus is the Christ, ... as waters cover the seas."

Respectfully submitted,
Johnny Smith

REPORT ON EVANGELISM

The business of Christianity is to introduce people of the World to the God that to them has been "The Unknown God." To accomplish this task we must start with a vital program of Evangelism in our local Churches, and Associations. During this past year the fires of Evangelism seem to have burned a little brighter in Beulah Association. The Churches reported some of the best Revival Services that have been held in some time. I believe that the Spirit of the Lord would have us gather together in Prayer and Dedication for the coming year that all the Churches here in our Association might experience a Great Spiritual awakening. The time has come for us to take people to the fountain of life. They will not go unless we tell them the way. Jesus said, "I am the Way, the Truth, and the Life." Many people did not hear this saying of Jesus, so it became our responsibility to enlighten them, having been enlightened ourselves by those who came before us.

Look to the new Church year! See in it the possibility of a co-ordinated effort in the field of Evangelism. I would Challenge each of you to put forth a special effort in your Church to Win the Lost to Christ and Teach them the way of the Cross that leads Home.

Respectfully submitted,
Thomas C. Williams

REPORT ON CHRISTIAN EDUCATION

Christian Education is at the heart of all true education. Our Baptist Colleges and Seminaries seek to install in their students a love for Christian ideals and a respect for Christian Character. Our Christian institutions operate on the assumption that everything should have Christian motivation in a center of Christian education. Lets' hear a brief word from each of our Baptist Colleges and Seminary.

Campbell College, at Buies Creek, was founded in 1887. It is a four year Junior College, and admits a small number for high school students who have earned a minimum of eight units. In 1959, the Baptist State Convention recommended to the trustees the transition of the college from Junior to Senior College status.

Chowan College is increasing its enrolment year by year. Last year 460 enrolled at Chowan. The enrolment has grown to the place where dormitory space is very limited making it necessary for many students to commute and live in town.

Gardner-Webb, at Boling Springs, begins its fifty-fifth year this year. The college enroll 550-600 men and women each year. High standards of Christian conduct and character are maintained at the college. Academic excellence is a strong factor in its life but there are many opportunities for social, cultural and recreational life as well.

Mars Hill begins her 105th session this year. It is a larger Junior college but expects to be a Senior College within the next few years. The college is in a beautiful setting conductive to its aims of the development of character through knowledge and training that gives emphasis to spiritual values.

Meredith, at Raleigh, is our womens college in N. C. It was founded in 1899 and is now in an eight year expansion program. A large percentage of Meredith girls prepare to teach in public schools.

Wingate, 30 miles East of Charlotte, majors on Christianity, character, and culture. The campus of 50 acres gives plenty of space for the fifteen buildings belonging to the college.

Wake Forest has a century and a quarter of service behind it. Our Senior College at Winston-Salem is said to have one of the most beautiful campuses found anywhere. Preparation can be made for the profession of teaching, ministry, law, medicine and business administration.

Southeastern Seminary at Wake Forest, will celebrate her 11th year of existence this year. The seminary is dedicated to the training of young men for the ministry and women as well in the fields of education and music.

Mrs. Ben Berry, Jr.

THE REPORT OF THE CHRISTIAN LIFE COMMITTEE

Down through the ages the home has been the chief institution of training. The Christian home has been the cornerstone of morality, character-building, and ethical living. In the Christian home children were trained to walk in the Way of the Lord. It was here that Christian parents spoke with a clear voice saying, "this is the Way; Walk ye in it."

Today the home is torned asunder by so many outside interest that there is no time for character-building and family life. Less than ten per cent of our homes in the Beulah Association are giving themselves to Daily Bible Reading and Prayer. Many of our homes have ceased to build-character and real Christian family life. They have become lovers of pleasure more than lovers of God and His righteousness. By their example many parents are teaching their children to desecrate the Sabbath Day, the day given for improving their Spiritual Life with God. They seldom read the Bible with their children. Moreover, the children have seen their parents practicing so many unchristian thoughts and unrighteous deeds that they do not know what is right and what is wrong.

Is there a way out? Yes, "Thanks be unto God" — there is! Our churches must get down to their main business of making Christian disciples, and leading them to build christian homes for the training of the children and for building God's Kingdom of righteousness. We must find the ways to make the home once again the center of moral and religious training and living. To do this the churches must promote a vigorous program of home-evangelism, of Daily Bible Reading and Prayer, of the use of Christian Literature, and of family dedication to God. We would urge every Church and every Church Member to put forth a special effort to make the home more Christian.

Respectfully submitted,
L. J. Rainey, Chm.

ASSOCIATIONAL MISSIONARY'S REPORT

As we come to the end of another year of work in our association, it is with great joy we seek to give an account of our stewardship. I have tried to answer every call so far as it was within my power to do so. If I have not done all that you think I might have done, please remember that there are many people, churches and calls that I must answer.

In our association we have been making progress in some areas. In others we have been standing still. Let's look at the dark side of the picture first.

We have been virtually standing still in reaching people through our Sunday Schools for years, and in the amount of money coming from our churches. Our gifts to missions, especially through the Cooperative Program, has not increased very much in recent years. We are besieged with short pastorates for various reasons. Pastors who stay one or two years never really get acquainted with the other pastors or the program of the association. This hurts the fellowship, necessitates using the same established men in key committees year after year, and hinders churches from getting a real appreciation of local associational missions.

On the dark side we could also mention the lack of money in promoting an effective associational program of missions, the lack of trained leadership in the churches capable of assuming places of leadership in the association, the apparent lack of interest in mission study on the part of our men, and the lack of church constitutions. But the greatest obstacle for our associatoinal program is the failure of most of our churches to adopt calendars or programs of activities from year to year. Last-minute planning will always tend to conflict with southwide, state and associational dates.

NOW LET US LOOK ON THE BRIGHTER SIDE

Our churches are giving more regularly and systematically to associational missions. Many of our churches and leaders are beginning to see the need of a vigorous and effective associational mission's program. There are many people living within the confines of our Association not being reached and ministered to by any of our churches.

This fact offers our churches and people an opportunity and challenge. One way to meet this need is to establish new missions and churches. A new mission has just been started in the Somerset Community. There are other places where a mission is needed.

Some other fine things our churches are doing are: building educational plants, sanctuaries and pastoriums; promoting the "Forward Program of Church Finance;" starting new Brotherhoods and Training Unions; Observing Youth Week; sending more of their members to the Summer Assemblies.

The Association exist for the local church, the state convention exist for the local church, and the local church exist for the individual. It is therefore the aim and purpose of the association to help the church to carry out its missions. We are continually striving for consolidatioon, correlation, more simultaneous meetings so the local churches may have more time for work in its local community. But at the same time the local church must realize it has missionary obligations beyond it's own local community. Actually the local church that cannot see the Kingdom of God beyond its own immediate community is anti-missionary.

No local church can neglect its community or distant mission fields without serious loss all the way around. Neither can the whole obligation be discharged with monetary support alone. We must not only give to missions but we must also do missions. Keeping a balance between giving and doing is difficult but it must be done.

We need more fellowship, more oneness in Christ, more willingness to cooperate, a vision of the unsaved, unreached, unenlisted multitude in our associational territory. Perhaps, above everything else, we need to love and appreciate each other. Outsiders should be able to say of the pastors and churches of Beulah Association, "They have been with Jesus," but also, "See how they love one another."

Respectfully submitted,
Hassell Lamm, Sr.

MISSIONS COMMITTEE REPORT

The Missions Committee has met several times this year to discuss the mission needs of our association. Many things have been planned and led to completion.

1. The Somerset Mission was organized by the Longhurst Baptist Church the first Sunday in October (1962) and has grown to 117 members with 180 enrolled in Sunday School and 76 enrolled in Training Union.
2. A survey was made in the Pine Lakes area and Roxboro Church has assumed the responsibility for the new work in this area.
3. A very successful Missions Rally was held at the Roxboro Church March 25th.
4. Three of the four quarterly meetings were held emphasizing

State, Home, and Foreign Missions.

As we look toward our new year we are praying that missions in our own association may continue to make progress so that our missions effort may be stronger around the world.

Respectfully submitted,
Alfred E. Staley

EVANGELISM REPORT

To those who did not believe him, Jesus issued the invitation, "Come . . ." But to those who did believe, he commanded, "Go . . ." It is time for us to obey that command of our Lord. This past year there were some indications of our improvement in that obedience.

In the period of our simultaneous crusade, April 1-15, we had 16 churches participating. Reports from 12 churches show 76 for baptism and 774 for rededication. This leads us to think that we experienced revival in our churches. Due to the snow our clinic was canceled.

Frequently we as we want to obey Christ, that we want His will to be done. Just as frequently we fail to realize that some effort on our part is required for His will to be done. Therefore, for the coming year the following recommendations are made:

1. Every pastor and church leader attend our clinic March 11, 1963 at the Longhurst Church.
2. Every church cooperate in our simultaneous crusade by having at least one week of revival services during March 24-April 7.
3. Every church send her pastor to the State Evangelistic Conference.
4. Every member assume the privilege and duty to pray and witness throughout the coming year.

May we realize that every effort and every plan is to help us to preach " . . . the gospel which is the power of God unto salvation."

Respectifully submitted,
Johnny J. Smith

SUNDAY SCHOOL REPORT

The Sunday School organization has endeavored to cooperate with each local church in their effort to have a better teaching program.

1. Three of the quarterly meetings were held and age group conferences was provided.
2. A successful Group School was held in the Spring with 20 churches participating, 165 enrolled, and 105 awards received.
3. A Vacation Bible School Clinic was held.
4. One new Sunday School was organized at the Somerset Mission and now has 180 enrolled with 18 classes.

5. The comments given in the reports of our Bible Schools indicate a most successful year of Vacation Bible School work. Reports have not been received from all of the churches in the Association, and it can be noted that professions of faith are few in number, but enrollment, attendance, and general cooperation on the part of the faculty members and pupils are good. The associational clinic in March was well attended and the workers came with a spirit of willingness to learn and to work. Your superintendent is most grateful for your participation. A few figures are listed as follows: Number of schools reported—23; Enrollment—2255; Average Attendance—1894; Standard Schools—3; Professions of Faith 8. Dedications and rededications are many.

We thank God for all that has been accomplished this year and pray God will give us even a greater year this next year.

Respectifully submitted,
Alfred E. Staley, Supt.

THE MUSIC MINISTRY

The Music Ministry on an associational level is keyed to meet the needs of the various churches of the area. The ministry is designed to assist churches in the development of a music program in the local church, to provide instruction in the development of teaching religious music, and to render service to the association wherever and whenever possible.

Music is the expression of a happy heart that has something to say, and this is no less true of the worshipper before God. Music provides an opportunity for man to confess his sin, ask for direction, seek to give praise and honor to God, and to utter thanks to the Father that no other mode could possible express.

One of the major objectives of the Associational music ministry, is to relate the art of worship through music to the over-all program of worship and work, and to give insight into new ways of relating people to God through music and singing. A program thus executed gives great impetus to the work and relates persons one to another in a bond of brotherly love and gracious cooperation.

Respectifully submitted,
James O. Shurling

MISSIONS REPORT — State, Home, and Foreign

When we speak of State, Home, and Foreign Missions we are not thinking of Missions as three separate divisions; for we remember the words of Jesus when He said "Go ye into all the world . . .", but we put missions in three different sections to give proper attention to each phase of missions.

STATE

State Missions' deepest concern is with people—people in North Carolina from all walks of life. Baptist of North Carolina are fortunate in the quality of work being done through the 22 phases of services provided through State Missions. State Missions undergirds "almost every cause and object" of total Baptist work through teaching, training, and enlistment in our churches, through working with our college students, through the establishing of new churches and through the many other phases of state mission ministries.

HOME

By January 1, 1962 the 30,000 movement goal was near the halfway mark. We are grateful indeed that the Beulah Association had a part in reaching this goal by starting the Somerset Mission which is sponsored by the Longhurst Baptist Church and also by the beginning of another mission on Highway No. 49 which is being sponsored by the Roxboro Church.

C. C. Warren, director, announced 14,210 missions and churches had been started.

The Home Mission Board plays an important role in meeting the changing and challenging needs of our America. Churches through their State Conventions have been rallied to meet unique needs such as the Cuban refugee problem.

The Home Mission budget for 1961 was $4,425,000.00.

FOREIGN

Appointments totaling 103 during 1961 and 26 from January to May, 1962 bring the number of Foreign Missionaries in active service to 1,563. The Board expects to have 2,000 missionaries by the close of Baptist Jubilee Advance in 1964.

At the end of 1961, there were 751 urgent requests for new missionaries. Among the most pressing needs are those for people in Field Evangelism and Church Development, Theological Education, Nursing, Student Work, and Religious Education.

Southern Baptist now have missionaries serving in 51 countries.

Our prayer is that " . . . the earth shall be full of the knowledge of the Lord, as the waters cover the sea." Isaiah 11:9.

Respectifully submitted,
Mrs. Alfred Staley

STEWARDSHIP REPORT

Beulah Association is on the increase in the area of Christian Stewardship. This past year represents a slight increase in giving of material possessions. This might well represent the increase in Spiritual Matters. There is a direct relationship between spiritual growth and Christian Stewardship.

Churches are considering more carefully the responsibility to World Misisons and are thereby building budgets which represent world outlook. It might be worth while to note that from the increase in church receipts that half of this increase is reflected in total mission giving. God has really blessed our people in considering the World Mission Program.

Let each church in Beulah Association continue to reach out into all the world with the Gospel through Christian Stewardship.

Respectifully submitted,
J. Wade Fowler

CHRISTIAN-LIFE

They were first called Christian at Antioch. Acts 11-26. This was a new name for the Disciples. Since that day, those professing a belief in Jesus Christ have been called Christians.

The Christian life is the greatest challenge and opportunity that can ever come to anyone. We, as Christians, have the responsibiliy of continuing the teaching of Jesus. If we believe in Christ, we must tell others, and most of all live a Christ-like life. The way we live is the greatest sermon we can preach. If everyone that professes to be a Christian could realize that a better world begins with each individual, then we would not be satisfied to sit and twiddle our thumbs and expect the world to get better.

So many of our church members who are supposed to be Christains have no scruples about what they do six days each week. We read reports of continuing, increased crime, particularly juvenile delinquency, which in most instances, means parental neglect, if not parental delinquency.

The story is told of Mark Twain, when he, his wife, and eleven year old daughter were visiting in Europe. They were the guests of many famous people. Kings and Nobles vied with each other for the privilege of having him at their dinner parties. European Universities conferred honorary degrees upon him. At the end of the trip, as they were on the train which was taking them to the port where they were to sail for America, Mark Twain read his family a list of celebrities who had entertained them. At the end of it his daughter looked up and said; "Daddy, you must know almost everyone worth knowing except God."

Mark Twain was not the only person to leave God out of his list of acquaintances. The moving pictures, the radio, and television make us familiar with the faces and voices of many of the noted people of our day, but God is often ignored.

Do your family and friends know God because of your life? If so, you are living a Christ-like life.

Dear God: Thou dost never forget Thy children. O God, Grant that we may not forget Thee, but may ever be conscious of Thy Divine presence through Jesus Christ, our Lord. Amen.

Respectifully submitted,
M. Banks Berry

REPORT ON CHRISTIAN EDUCATION

Since this Association met a year ago noticeable, if not revolutionary changes have taken place in the field of Christian education within the bounds of our own denomination and state.

For one thing, Dr. Ralph Elliot's book The Meaning and Message of Genesis was published, setting a precedent, as it became the first critical work, written and published by Southern Baptists to seriously challenge traditional Southern Baptist views about the book of Genesis. The book set off a storm of controversy across the convention.

Russell Brantly's novel The Education of Jonathan Beam released another bombshell here in our own state. Mr. Brantly's book, while written in poor taste, raises a serious and legitimate question about the effectiveness of Christian education in churches and colleges in North Carolina.

A further look at the changing scene shows that seminary enrollment is down all across the country while all seven of our Baptist colleges are expecting increases in enrollment this fall.

Campbell College and Mars Hill have both been elevated to senior college status.

All seven colleges report an acute need for additional buildings and funds.

Approximately eight thousand students will be enrolled in the seven colleges this fall!

It is strongly urged that the churches will adopt a program of education that will better equip their youth to participate in an historical-scientific study of the Bible without their becoming disillusioned and skeptical.

It is further urged that pastors and church leaders become more active in recruiting young people for enrollment in our denominational colleges. A very small percentage of Baptist young people are availing themselves of a Christian education.

It is essential that we continue financial and moral support to these schools.

Finally, as ministers we must take a new and longer look at our responsibilities as teachers. We must deal intelligently and honestly with the questions that are being raised by our society.

Respectifully submitted,

Thomas E. Duffey

REPORT ON THE CHRISTIAN ACTION LEAGUE

The Christian Action League (or the Christian Action Committee as it is known on the State-wide basis) actively promotes Christianity through the sociological media of everyday life, bringing to the foreground of Christian focus current problems concerning human needs and Christianity's answers to these needs.

One of the primary emphases of the Christian Action League on the State-wide basis and in our Associaiton has been the problem of alcoholism. In a joint effort between conscientiously concerned laymen and ministers of all denomination the League listened to advice from several sources and then campaigned in Person County in order to inform people of the facts concerning alcoholism. At the election the county became "wet" but this does not end or even alleviate any of the League's intention concerning alcohol education. Instead, efforts are to be redoubled the coming year to begin in and through our churches to present the true Christian attitude concerning the physical and mental effects of excessive alcohol. All individuals and churches are enjoined to participate in this program to insure future success.

Respectifully submitted,

A. Wayland Johnson

REPORT ON CHRISTIAN LITERATURE

If we are to win the battle for men's minds and hearts then we must use the power of the printed page. Many great movements of today lean heavily on the circulation of pamphlets, tracts, etc. to reach men, women, boys and girls for their cause. Can we as Christians and Baptists do less?

We need to realize that Christ expects us to be well informed, and to be well informed we must read. Christian Literature must be foremost in our hearts and minds . . . what type of literature is reaching our young people? Are we as Christian teachers and parents providing the proper type of literature?

In our Baptist denomination we have wonderful opportunities to avail ourselves of numerous types of Christian Literature. Through our Sunday Schools, Training Unions, Woman's Missionary Union, The Brotherhood, etc. we can learn of many phases of Christian life and strengthen ourselves spiritually.

For family devotional material we can use OPEN WINDOWS, or HOME LIFE MAGAZINE. To be better informed about our state and other phases of Baptist life we can subscribe to THE BIBLICAL RECORDER. THE BEAM magazine further informs us of our "new" witness through radio and television.

Take advantage of the many opportunities given through tracts and other printed materials available through the Sunday School Board, Nashville, Tenn. to inform your church on such subjects as witnessing, tithing, Meaning of the Lord's Supper, Marriage, etc. Let our homes be places where we encourage family devotion, let our churches be sanctuaries of learning that together we might serve our Master more fully each day.

Respectifully submitted,
Mrs. Dick Coleman

THE BAPTIST HOSPITAL OF NORTH CAROLINA

The Baptist Hospital of North Carolina serves the people of our state and surrounding states in a manifold ministry. The ministries of healing, teaching, and preaching not only serve for the physical betterment of our populace, but also meet the spiritual needs of those persons who are patients. Our Hospital houses the Bowman Gray Medical School, a School of Nursing and a school of Pastoral Care, and utilized all available facilities to provide spiritual enrichment for patients.

At the last report received by this association, every church in our association, with the exception of one has contributed in 1962 to the hospital. The only gifts that this insitution receives for the support of its ministries outside of the Cooperaive Program, are the gifts given at Mothers' Day and by private persons in our state.

The Mothers' Day Offering provides much needed funds for care of the needy patients who would be unable otherwise to receive medical attention. Forty percent of the total work done, that is forty dollars out of every hundred dollars spent at Baptist Hospital, is for persons who must have help and can pay nothing at all.

The recent addition of the Twin Castles Property provides enlarged and more adequate housing facilities for the Nursing School and for the School of Pastoral Care. During the past fiscal year the Hospital has moved forward, advancing in the fields of medical education, surgery, and professional resources.

By our contributing by this means each year, we are having a part in the continued effort to relate the ministry of Jesus to the needs of people in our generation.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 20 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes—Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our every-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Morris L. Jackson

BAPTIST CHILDREN'S HOMES

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Home is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these—leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditioinal types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and Children, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Paul F. Hardy

ANNUITY BOARD

Less than half of our churches in this association are involved in the Annuity program. Only sixteen out of the 32 churches in the association contributed. This is a valuable program for the church to be a part of and if you are not a part of this program now then make a special effort to enlist your church.

The Annuity Board will continue to encourage each of the 7,755 unenlisted Baptist churches to put their pastor into the Protection

Plan. When the church puts its pastor into the Plan, it removes most of the financial liability from its own shoulders and transfers it to the Annuity Board.

"Brother pastor, and all of you good leaders in the churhes, please pay attention to this and let me have the application for your pastor's participation in the Southern Baptist Protection Plan before the end of this year. The New Testament time for action is always now. A man has a year to come into the Protection Plan after he becomes eligible. If he waits afer that year of grace then the penalty for delayed participation is assessed against him. I am anxious that this not be the case with even one of our good pastors." (Guy S. Cain)

A total of $2,879,816.21 was paid in benefits by the Annuity Board during 1961. More than $2,654,222.00 of this went to approximately 4,500 ministers, denominational workers of their families who participated in one of the Board's retirement plans. The remaining amount was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, it has paid out benefits totaling more than $37,304,916.00. These figures show that this Plan is a sound policy and would be good insurance for your church to be a part of.

The list that follows is the names of those churches in our association which support the Annuity program. If your church is not included in this list then you should consider enlisting your pastor and church in this program. If you are interested then write Guy S. THE AMERICAN BIBLE SOCIETY

Five years ago the President of the United States was presented with the symbolic 500-millionth volume of Scripture distributed by the American Bible Society since its inception in 1816. When he asked how long it took to distribute the first half billion, he was told 141 years, but that it was the hope of the Bible Society to distribute the next half billion in 25 years. This implied an average of 20 million a year, equal to only one-half of the annual population increased throughout the world. The minimal goal was surpassed in the last two years, but an appraisal of the world's Scripture needs clearly indicate a target of 50 million volumes a year by 1966, the Society's 150th Anniversary.

Measured against distribution figures of previous years, an impressive distribution record has again been made by the Society in the United States—the 12,696,706 copies of Scripture in 1961.

The Bible Societies' problem is a problem of people, and as the report from Hong-Kong puts it, "the question has always been, how many people." Introduction to the knowledge of the love of God in Christ Jesus comes by word of missionary, preacher, layman, or directly from the Bible, which they must above all possess. The possession of the Word of Power is not the mere possession of the Bible as a book. This takes place only when the possessor discovers its meaning for his life, meets Power in the Person of Jesus Christ and experiences that Power in worship, fellowship, witness, teaching and ethical conduct. This can only be accomplished as each church gives. Has your church made a contribution to the American Bible Society this year

Southern Baptist churches gave in 1961—$164,342,69. This is the largest gift of any denomination—Methodist were next with $163,593.84.

W. M. U.

The reporting in our Woman's Missionary Society has changed considerable this past year; the local Presidents and all her Chairmen are asked to send the Associational President reports only semi-annually and she reports to the W. M. U. office in Raleigh only at the close of the church year. We are not asked to fill in nearly so many blanks, therefore we will not be boring you with a lot of statistics.

We have a W. M. S. organized in every church except one, with a very active W. M. U. in the Somerset Mission. We have over 1600 members in all our W. M. U. organizations.

We regret to report that all of our churches with a Missionary Society does not have all the Youth Organizations—some do not have any. We urge our Pastors' to lend their support to our W. M. S. Presidents' in getting these organizations started where they do not now exist.

Our annual Spring Meeting was held in the Providence (Caswell) Church with over two hundred present. Our Fall Leadership

Conference was held in the Longhurst Church with approximately 140 present.

Your W. M. S. President is proud to report that she has a wonderful slate of Officers who cooperates with her in such a wonderful way—Let me name them—Mrs. J. J. Woody, Mrs. Estelle Richardson, Mrs. George Thomas, Mrs. Gladys Lansdell, Mrs. Hassell Lamm, Mrs. N. J. Todd, Mrs. James Shurling, Mrs. Edna Moize, Mrs. Ryland Wilborn, Mrs. Louise Oakley, Mrs. Mary W. Hester, Mrs. Oscar Long, Mrs. W. R. Day and Mrs. Sam Wrenn.

MISSIONARY REPORT

The local church is the primary corporate unit of scriptural missions. This is true as touching local, associational, state, south-wide, and world-wide missions. Southern Baptists as such have a far broader vision of missions than the Baptist of this nation had in the years of Judson and Rice. The vision of these men and a few others has become the vision of our denomination as a whole.

There are signs of a growing sense of local missionary obligation in the churches of our Association, but many of our people have not yet lifted up their eyes and looked upon the fields which are already "white unto harvest". Nor have they entered the field. It is a joy to observe, however, that some have and the associational field is more and more becoming a missionary force.

I am very much encouraged by the signs I see concerning missions in the future. Here is some evidence that leads me to believe that Beulah Association is becoming more missionary-minded:

1. Longhurst Baptist Church has sponsored a very progressive mission at Somerset during the past year.
2. Roxboro Church has assumed the responsibility for the new work in the Pine Lakes area.
3. Our Associational Mission Rallies have been well-attended, and much concern shown in them.
4. We are now having Quarterly Mission's Night which are well-attended.
5. Many of our young people are giving themselves to full-time religious work.
6. Most of all our churches are annually increasing their giving to Associational, State, Home and Foreign Missions.

I believe that our people are more missionary minded today than they have been for some time. May we all hope, pray and work to the end that every Christian and every Church in Beulah Association is truly "missionary" in conviction and practice.

Hassell Lamm

THE BAPTIST TRAINING UNION

For the past two years Baptist Training Union Work in the Beulah Association has made a small advance. We believe that the foundation has been laid for even greater progress. We seek God's divine guidance and help in this great work.

REPORTS COMING TO ME INDICATE THAT:

1. Fourteen Training Unions have moved forward in doing more efficient work while the other four Training Unions have just about held their own.
2. Providence (Person) has organized a Training Union.
3. As of July we showed a five per cent increase in membership.
4. Fourteen churches have followed the suggested plan of promoting daily Bible Reading and Prayer, and encouraging the establishment of family altars.
5. Nine churches have had a group studying and promoting personal soul winning.
6. Fourteen churches conducted B. T. U. Study Courses.
7. Twelve churches observed a "Youth Week Program."
8. Twelve churches had classes for the training of their new church members.
9. Eighteen churches sought to provide a training program for its people.

IN THE COMING YEAR IT IS OUR HOPE AND PRAYER:

1. That every church will enlist all its B. T. U. workers or prospective workers in attending our B. T. U. Clinic at the Roxboro Baptist Church, October the 29th to November 1st—for the purpose of learning Training Union work.
2. That the fourteen churches without a Baptist Training Union, after training their leadership in our B. T. U. Clinic, make a dedicated effort to have a Training Union in their own church.
3. That each pastor and church plan to have The Bible Study in Matthew in January and that the pastor, the Sunday School Superintendent and Training Union Director act as a committee within their church to promote daily Bible Reading and Prayer. Moreover, we suggest that they take as their goal, "a family altar in every home where there is a Christian."
4. That each church on "Soul-Winning Commitment Day," January the 6th or soon thereafter use in their Training Union age groups "The Training Union Resource Units on Witnessing for Christ." If your church is without a Training Union call your people together and study by age-groups this material on "Witnessing for Christ". This could lead into a Training Union for your church.
5. That all the organizations in each local church join with the Training Union in having a church-wide graded study for the church's total membership on "World's Missions Week", April 21-26, 1963. Let every church prepare to participate in this

great week of study with all other churches in the Southern Baptist Convention.

6. That each church strive to have an orintation period for their new church members following their revival services.
7. That each church plan a "Youth Week Program" for it's youth at the time most convenient for the local needs.
8. That each church plan to observe "Christian Home Week," with a family altar in every home where there is a Christian." We would suggest that the committee on Daily Bible Reading and Prayer promote this.
9. That each Training Union plan now to participate in the tournament next spring.
10. That each church with a Training Union promote a pastor led Training Union Enlargement Program during the week of September the 8th or 15th, 1963.
11. That each church set up it's plans now to have a Deacon led Spiritual Growth Program in 1964.
12. Finally, that each church have an "M" Day for presenting the Training Union work and it's program to the entire local church membership. We would suggest December 30, 1962 or January 13, 1963 as "M" Day for your church.

BROTHERHOOD REPORT

The purpose of Brotherhood is to mobilize the manpower of the Church into a mighty force for the Master. It seeks to do this by providing four main areas in which men may work: Royal Ambassadors, Christian Witness, Personal Stewardship, and World Missions. More of our Churches are becoming aware of what Brotherhood can mean to them in this respect. We have on record fourteen Churches in Beulah Association who have Brotherhoods, and ten who have Royal Ambassador work.

For the first time we have a completed organization in the Association:

President: Charles O. Jenkins, Providence (C)
Vice-President: Sam Shotwell, Mill Creek
Secretary: Richard Sanders; Longhurst
Royal Ambassador Leader: J. Louie Oakley, Providence (C)
Christian Witness Leader: Melvin Blalock, Semerset Mission
Personal Stewardship Leader: Claude Duncan, Clement
World Missions Leader: H. V. Massengill, Yanceyville
Advisory Council: Hassell Lamm, Roxboro

Thomas Williams, Ca-Vel
Joe Poole, Roxboro

Associational Meetings for the Brotherhood are to be held on Mondays following the third Sundays in the second month of each quarter. The next meeting will be held at Yanceyville on November 19. These meetings are held in conjunction with the Associational WMU and Missions Committee.

Charles O. Jenkins

THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Bapist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a CHRISTIAN WILL. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a LIVING TRUST. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his GIFT at work.

(c) Through a MEMORIAL TRUST. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a LIFE INCOME TRUST. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through LIFE INSURANCE. A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

Respectfully submitted,
C. Gordon Maddry, Sec.

Reports

SUNDAY SCHOOL REPORT FOR 1962-1963

The Sunday School is an agency of the church. Although the movement started outside the church when in 1780 Robert Raikes in Gloucester, England, paid women to teach children reading, writing, and arithmetic on Sundays, it now belongs to the church. It is the Bible teaching arm of the church.

The Sunday School assists the church in fulfilling its most important functions; worship, proclamation, education, and ministry. It does this in carrying out the following basic tasks: reach all prospects for the church, teach the Biblical revelation, lead all church members to worship and witness daily, provide opportunities for the personal ministries of the church, provide organization and leadership for special projects of the church, and to interpret information regarding the work of the church and denomination.

Dr. A. V. Washburn, a southwide secretary of our Sunday Schools, says: "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the teaching of the Bible, the winning of the lost, and all the development that should come out of it."

Our theme for 1963-64 is "Outreach for the Unreached—Spearhead for Evangelism." We hope our association will schedule the Sunday School Witnessing Program next January or February in preparation for the Jubilee revivals. All teachers and officers should be soul winners.

We conducted a central training school in the spring and a pastor led enlargement campaign in the fall of this year. Those things should aid us in growth thus we will be able to lead more people to Christ.

Each Sunday School should observe January Week of Bible Study, promote Operation Home Study and other related projects of the Church Study Course, make possible its workers attending the assemblies at Caswell, Fruitland, and Ridgecrest. In this year of evangelism, each teacher and officer should win at least one person to Jesus Christ.

All churches are asked to cooperate with the Associational Sunday School program. Attend the meetings. Become acquainted with the goals for 1963-64. Let us work together in such a way that all might come to know Jesus Christ as Lord and Savior.

Respectfully submitted,
Alfred E. Staley, Supt.

ANNUITY REPORT

The Southern Baptist Protection Plan is a joint effort between the participating churches and the state convention to offer retirement, disability, and widow benefits to Southern Baptist ministers. In this plan, the participating church pays a sum amounting to 10% of the minister's salary (up to $4,000) into the Annuity Board and this is matched by an additional 5% that is paid by the state convention. This fine program is both sensible and Scriptural.

The annuity program is sensible in that it is the best way yet devised for a church to protect itself against the sudden financial responsibility that is involved when its minister dies or is disabled. Also, if the minister lives to retirement age, this program gives him a retirement income. This program thus relieves the church's minister of any anxiety about his family's future and allows him to concentrate his full time and energy on his church.

The annuity program is also Scriptural. The Bible says, "They which preach the Gospel should live of the Gospel." (1 Cor. 9:14). The Bible says, "But if any provide not for his own, and especially for these of his own house, he hath denied the faith, and is worse than an infidel." (1 Tim. 5:8). The Bible says, "Cast me not off in the time of old age." (Psalms 71:9).

With the addition of Mt. Harmony Baptist Church to the list of participating churches this year, the Beulah Association now has sixteen churches plus the Associational Missionary that are participating in the program. Since this program is set up on a percentage basis, no church is too small or too large to participate. Indeed, the smaller churches need this program much worse than the larger ones. It is urgently requested that all of the seventeen churches not covered by the Southern Baptist Protection Plan give this matter their immediate and prayerful consideration. Those interested are requested to contact Mr. Guy S. Cain, 301 Hillsboro Street, Raleigh, N. C.

Respectfully submitted,
W. R. CcCollum

BROTHERHOOD REPORT

A Baptist Brotherhood is a group of men who have banded themselves together for the purpose of enlisting all the men of the Church in the work of the Church. This is achieved by enlisting the men, discovering and developing their talents, and then using the men and their talents in these four areas: Royal Ambassadors, Christian Witness, Personal Stewardship, and World Missions.

The Associational Brotherhood has sought to familiarize men with these four areas this year, putting special emphasis on Christian Witness and Personal Stewardship. There are now 17 churches in the Association reporting Brotherhoods, and 12 reporting Royal Ambassador work.

The Baptist Brotherhood is essentially a laymen's organization, so it is fitting that one of our fine laymen, Sam Shotwell of Mill Creek, a former professional baseball player, serve as Associational President for the coming year. He should have the support of every pastor and layman in this most important work.

Respectfully submitted,
Charles O. Jenkins

REPORT OF MISSIONS COMMITTEE

The missions committee is composed of two pastors and two laymen by constitutional authority. By the same authority the duties of this committee shall be: "to employ the associational missionary with approval of the executive committee; to exercise general supervision of the work; to work with the missionary in organizing new missions and churches; to examine and investigate credentials of churches desiring to come into the fellowship of the association; to discover and recommend new phases of missions needed in the area."

Your missions committee has met these constitutional requirements. In addition we have sponsored and planned the Associational missions rally which meets annually in the spring at which time an outstanding missionary is the speaker. Also we have arranged and promoted the quarterly mission emphasis nights in conjunction with the Brotherhood and Woman's Missionary Union.

Somerset mission, sponsored by the Longhurst Church, was the outstanding project of this committee last associational year. This mission was constituted into a church and received into the fellowship of the association last October. It is now a thriving church under the able leadership of its first full-time pastor.

On November 4, 1962, under the sponsorship of the Roxboro Church and the missions committee, the Roxboro Chapel was organized. This new work is currently meeting in the Earl Bradsher School building with a full and complete program with the exception of the Brotherhood. It is making excellent progress under the able leadership of its first permanent pastor. A building site has been acquired and money is being raised to erect the first unit of their building. We anticipate this Chapel will be constituted into a church within the current associational year.

The other members of this committee are: Rev. Alfred Staley, Longhurst; William Walker, Ca-Vel; N. W. (Nat) Whitfield, Providence (P).

Respectfully submitted,
L. G. Elliott, Chm.

REPORT OF MUSIC DIRECTOR

This year the Beulah Associational Music Program was strengthened and its ministries extended. The clinic for instrumentalists and choir directors held at the Longhurst Baptist Church was especially helpful. Our work included planning and assisting in the music programs of the monthly Associational Meetings. The Christmas Carol Sing at the Courthouse was not as well supported as we had hoped, but I would like to see this event take precedence this coming Christmas. Roxboro needs the witness of Christians and churches who are unafraid to sing carols and hymns on a street corner.

There are many opportunities to enrich and strengthen the local church ministries through music. This year the Associational Music Program will be under the very able direction of Bob Mott, Minister of Music at Roxboro Baptist Church. Let us pledge to him our support as he seeks to lead us in the soul-healing ministry of music.

Respectfully submitted,
Ted Duffey, Director

MISSIONARY'S REPORT

The Association does not have control over the churches but it affords the churches a medium by which they can become associated with other churches of like faith and practice in a united effort to advance the Kingdom of Christ.

The district association was the first denominational organization of Baptists founded in America and is believed by many Baptists to have contributed more to advancement of the Baptist cause than any other unit of our organized denominational life outside the local church.

Jesus has commanded us to witness to every creature in all the world. This certainly includes every person in our association. Jesus does not place one mission field above another. The Beulah Association is as important as

Foreign Missions. Foreign Missions is as important as the Beulah Association. Yet, we have some of our churches supporting one of these fields of missions and not the other. For instance, some of our churches are supporting foreign missions, but are not doing very much for associational missions.

Mr. E. P. Aldredge says that, "Baptists must learn to work together first in the churches and certainly in the district association, or our attempt to work together in State and Southern Baptist Conventions will be failure and loss of time."

We are very aware of the fact that every church can not participate in every associational activity, nor would it be wise to try to. However, we would encourage every church and every Christian in the association to make a special effort to do the following things during the current year:

1. **Budget**—lead your church to support the associational budget in spirit and manner as you support any other field of missions;
2. **Calendar**—use the associational calendar in making out your local church calendar and follow both;
3. **Leadership**—encourage your people to assume associational responsibilities when asked to and relieve them of some of their local responsibilities;
4. **Attendance**—support the associational activities by your presence;
5. **Prayer**—pray daily for the workers in the association;
6. **Participate**—lead your church to participate in the associational missions activities, especially in the "Jubilee Revivals" and the "Schools of Missions;"
7. **Inform**—your people of the needs, opportunities and program of the association;
8. **Challenge**—challenge your people to support the association by their time, talents and money;
9. **Example**—be a good example of a "Missionary Baptist;"
10. **Holy Spirit**—follow the leadership of the Holy Spirit in this matter of "Associational Missions."

THE BAPTIST TRAINING UNION

During the past three years Baptist Training Union work in the Beulah Association has made an advance. We are showing a twenty-five per cent (25%) increase in enrollment and in the organization of new Training Unions.

In study Course Awards and in the observing of Youth Week we have increased five hundred percent (500%). Our Associational Training Union has been recognized by The Training Union Department of the Sunday School Board as meeting the Standard of Excellence in Training Union work for the four quarters during our present associational year, 1962-63. For this good work done we give thanks unto the Training Union people and may their tribe increase. We would not forget to say, "Thank You, Almighty God for your Divine Guidance and Help."

In the coming year we would not fail to urge the churches:

1. To enlarge and make their Training Unions more efficient.
2. To promote **Bible Study Week** in January and **Daily Bible Reading and Prayer** throughout the year.
3. To use "The Resource Units on Learning to Witness" for Intermediates, Young People and Adults during January or February, 1964 and to

invite the Sunday School Workers who are not attending Training Union to join with you in this study.

4. To lead your Church to have "Baptist Heritage Week," April the 27 to May 1, 1964.

5. To lead your Church to enter The School of Missions, the week of October 4, 1964.

6. To lead your Training Union to participate in the tournaments in the Spring of 1964.

7. To lead your Training Union in helping one of the Churches without a Training Union in getting one started.

I want to thank you for your co-operation, prayers and help in this great work. Let us seek God's Divine guidance and help.

REPORT ON CHRISTIAN LITERATURE

Baptists work together in a great spiritual democracy but no democracy can survive unless its people keep informed and inspired by the right kind of reading. "Give attention to reading" urged Paul to young Timothy. This is still good advice.

Thousands of people are learning to read every year and never before has there been so much to read, both good and bad. The printed page is more powerful than any other medium in molding the thinking of people. Knowing this, Baptists have made every effort to put wholesome, educational and information literature into the hands of its people.

When North Carolina Baptists organized themselves in 1830, Thomas Meredith was appointed to send out a letter stating the purpose of the convention. He said, "The convention was organized for the purpose primarily of giving the Gospel to North Carolina and then to all the world." The Constitution of the Convention soon afterward stated that one of its main purposes was "The distribution of sound Christian Literature."

To this end, we have available to us literature to aid us in every aspect of our church work, family living, and social relationships. No denomination has so fine a selection of Christian Literature as Baptists.

The Biblical Recorder, our North Carolina Baptist magazine, is priced within the reach of every Baptist, subscribed for either individually, in a club or in the every family plan which many of our churches are finding most helpful. **The Recorder** has through the years inspired and informed us about every phrase of our church life and our institutions.

In addition to the **Biblical Recorder,** many publications are printed and put at our disposal to aid us in every part of our work.

Evil forces of society are striving hard to steal the minds of people with filthy, false literature. Christians must work even harder to counteract this by encouraging the reading of good, clean Christian Literature. "Give attention to reading!"

WMU ASSOCIATIONAL REPORT

This has been a year of celebration for Woman's Missionary Union. Seventy-five years ago, May 11, 1888, in Richmond, Virginia, Woman's

Missionary Union came into being after many years of careful preparation. This seventy-fifth anniversary year has caused us to recall the dedication of those before us, challenging us to greater efforts in spreading the gospel of our Lord.

In our associational WMU this diamond anniversary has been featured in several ways. Quite a few members took part in the Anniversary Prayer Retreat held in the Roxboro Baptist Church earlier in the year. The annual Spring Meeting, held in the Olive Branch Church, featured the anniversary also. A high-light of the afternoon session was a history of Beulah Associational WMU given by Mrs. R. L. Wilburn, beloved past president of the Beulah WMU. The fiftieth anniversary of Girls' Auxiliary was given recognition in a skit presented by the Girls' Auxiliary from Longhurst Church. Appreciation was expressed to Mrs. Elmer Reynolds, outgoing president, for her able and faithful leadership for the past four years. A prayer of dedication for the new officers adjourned the meeting.

Seven of the WMU officers attended the State WMU Workshop for Associational Officers held at Campbell College in August. This helped prepare them for the Associational Leadership Conference, September 10, in Ca-Vel Church. Approximately 116 ladies attended this meeting.

An outstanding event in our WMU work this year was the GA Rally at Longhurst Church in July. Everyone was encouraged by the number present, 238, as well as by the wonderful spirit evidenced by the girls and counselors present.

Our most urgent need is for willing and capable leaders of our youth organizations. The young people in our churches today will be the missionaries, preachers, Sunday School Teachers, WMU Leaders, and witnessing Christians of tomorrow if we will lead them in that direction.

Respectfully submitted,
Mrs. Thomas E. Duffey, Pres.

REPORT OF CHRISTIAN ACTION COMMITTEE

The Christian Action Committee is unique in that its members serve as trustees of the Christian Action League of North Carolina. The Christian Action League is an organization composed of representatives of many denominational groups. Its purpose is to seek to relate Christian disciplines and teachings to contemporary moral and ethical problems.

The main thrust of the service of the League has been in the area of alcohol and narcotics education for the youth of our state. During the past twelve months, speakers representing the League have addressed more than one hundred thousand young people. This program of educating the youths of today with scientific facts about the effects of alcohol and narcotics will pay large dividends in the future.

In a recent State Baptist Brotherhood seminar on the beverage alcohol problem, the question was raised, "What place does beverage alcohol have in the Christian home?" The thought-provoking answer was "Beverage alcohol deserves **no place** in the Christian home because: **Medically,** it is damaging to the body and the brain. **Economically,** it robs many families of vital necessities and robs God of His portion. **Socially,** it does not bring healthy and lasting social benefits, and more than likely will divide from genuine Christian social contacts. **Morally** and **spiritually,** it tends to lower moral standards and often dulls and deadens true spiritual perception."

There is much to be done in our area in making Christianity relevant to our social, economic, and political problems. The Christian Action Committee and the Christian Action League request your prayerful support for their ministry and for the ones to whom they minister.

Respectfully submitted,
Jesse Croom, Jr.

REPORT ON CHRISTIAN EDUCATION ADVANCE

The Christian Education Advance serves as an agency within the Cooperative program and functions to support the needs of our Southern Baptist schools all over the world. Currently there are 1,096 Baptist schools in the United States and Foreign countries, serving over 240,000 students. Eighty-five of every 100 missionaries, pastors, and denominational workers attended one of the Baptist schools.

In North Carolina there are 7 Baptist colleges, with all but three serving as accredited four-year colleges. Along with Wake Forest and Meredith, Mars Hill and Campbell joined the ranks of senior colleges this year. Wingate, Chowan, and Gardner-Webb continue to serve as Baptist Junior Colleges.

While enrollments at these schools continue to climb, so do the costs of salaries, buildings, administration, and maintenance. If we are to continue to serve the young people of this state, of other states and the world, we MUST continue to support these schools faithfully and generously both through the Cooperative Program and through private grants to the school or schools of our choice.

Respectfully submitted,
James O. Shurling

CHRISTIAN LIFE

It is quite an easy matter to give assent to a particular set of beliefs, even Christian beliefs. It is quite a different matter and oftimes and usually a difficult matter to live these beliefs in our day by day encounters. This is particularly true in the complex and revolutionary world of social change in which we as Christians find ourselves at midtwentieth century.

Yet the Gospel is a social matter. "Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven." (Matt. 5:16 RSV). These words of Jesus are just as meaningful today or even more so than when they were first spoken by our Lord.

By far the most pronounced area in which we have been challenged to Christian living in the past year and will continue to be in the year to come is in race relations. We are in the midst of social change. We are in every sense of the word just giving mental assent when we speak of missions abroad and somewhere else when we fail to live and see ourselves as missionaries with attitudes and practices of missionaries right where we are. Surely, we cannot mean that 'all men are equal' and that 'God is the Father of all' unless we put it into practice at this challenging time in our history.

We are aware that this is a matter that confronts Beulah Baptists and our daily living as well as the rest of the world. Perhaps we need to re-examine our faith and be sure that we are seeking the mind of Christ in these matters that face us.

As this is being written, a Baptist Sunday School in a southern city has just been bombed and four children killed while studying a passage of the teaching of Jesus on Christian attitudes. Hatred and prejudice were the roots of this brutality. Often hatred and prejudice need to be rooted from the Christian if his life is to be meaningful. Christian living cannot be reconciled to this type of behavior. The problem is not limited to any one area of our nation but is a national and indeed a world problem. Here is our opportunity to put the things we believe into actual practice. It does take courage and prayer.

Other areas continue to cause us concern and our living the Christian life should challenge us to take a stand on the trends that are alarming in the divorce rate and poor family relationships that continue to increase, along with crime and juvenile delinquency that is on the rise. The area of the use of beverage alcohol is alarming. The liquor industries do not fool us in saying that it is the social thing to do. They do not tell us of the black ugly facts of death on the highways and broken homes due to alcohol, even in moderation. Christian citizenship and moral living should be our goal as we continue to live in this society in which many forces of evil abound.

May each member of our association take these matters seriously and personally as we approach another year that will offer many opportunities for Christians living where we live, worship, work, and play. God is ready to help us live our lives on His principles. Through prayer, may we seek His help.

Respectfully submitted,
A. Joe Poole, Chairman

STATE, HOME, AND FOREIGN MISSIONS REPORT

Missions, from the Baptist viewpoint, is meeting the physical, mental, cultural, and spiritual needs of people locally, southwide, and worldwide.

Previous missions reports have dealt with the work done in each of the three areas covered by this report. It is our intention in this report to call attention to what the churches of Beulah Association are doing in the way of giving support to our total mission program.

The Cooperative Program is the lifeline for all our mission work. It is noteworthy that of the thirty-three churches in our association thirty-two made a contribution to missions through the Cooperative Program. This is an indication that our people are "missionary minded." The total gifts in 1962 through the Cooperative Program amounted to $36,496.

The designated offerings from our churches for various causes was as follows:

State Missions ---- 29 churches gave a total of $1,038.
Foreign Missions -- 30 churches gave a total of $4,075.
Home Missions ---- 29 churches gave a total of $1,608.

In addition to these gifts other designated mission gifts were:

Christian Education ---------- 21 churches gave $ 236.
Children's Homes ------------ 30 churches gave $2,970.
Hospitals ------------------- 31 churches gave $2,512.
Miscellaneous Mission Gifts -- 25 churches gave $1,926.

Every church in Beulah Association gave support to some of the mission endeavors. It gladens our hearts to see the response of the churches to the needs of our world. Every phase of our missions program faces critical times. More is being demanded of them than they have resources to meet.

It is necessary to remind ourselves once again that "Missionary Advance" waits on us, the people in the churches, to supply the necessary funds and personnel so that the "gospel might be preached to every creature."

Respectfully submitted,
Dan J. Dunkel

STEWARDSHIP REPORT

There seems to be a very close relation between missions and stewardship. And it is a favorable one indeed. The mission emphasis in the Beulah Association this past year has favorably influenced our growth in Christian stewardship. Specific results has been felt in stewardship from the mission emphasis in the Somerset Baptist Church and the Roxboro Chapel.

The mission emphasis has also lifted Christian stewardship in a general way over the entire association. The giving of our people increased by some $30,000 over the previous year. We experienced a Co-operative Program increase of some $9,000 with a $1,400 increase in gifts to our association. These last figures show an increase of 25% and 15% respectively.

Our growth in Christian stewardship relates vitally to our sense of mission. We thank God for the motivation that causes us to give our best and for His spirit which causes our best to be constantly and consistently better.

Morris L. Jackson

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

God has richly blessed the ministry of our North Carolina Baptist Homes during the twelve years of our operation, and the past year has been filled with His goodness.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, especially in Eastern North Carolina. We look forward to the day when this arm of compassion can be extended to serve more of our aging people in Western North Carolina.

We are now able to serve 160 residents in our four Baptist Homes for the Aging—The Hayes Home and Resthaven in Winston-Salem, The Albemarle Home at Albemarle, and the Hamilton Home at Hamilton. Still the need for more space continues; even now we must keep another 160 persons waiting who urgently need the security of our Baptist Homes.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. We feel that years are literally added to the life of each person in our care who is surrounded by love, peace, and security in an atmosphere that is distinctly Christian. The nursing care that is provided assures the resident that he will receive tender loving care in sickness as well as in health.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Since we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each

$1,000 contributed through the Cooperative Program, we will have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Respectfully submitted,
Mrs. Charles Jenkins

REPORT OF HOSPITAL REPRESENTATIVE

We Baptists have in our Hospital at Winston-Salem a great missionary enterprise dedicated to the service of our fellowman.

Each year as we prepare for the Mother's Day Offering, which provides for the care of the needy sick at the Hospital, we find that new records have been made both in the volume and the quality of service given.

Since it was established in 1923, Baptist Hospital has operated for three purposes—to preach, to teach and to heal. With a staff of twelve hundred persons, it conducts the vast business of a large modern hospital. Last year, Baptist Hospital served almost ninety thousand patients! Forty per cent of the medical care at Baptist Hospital is for those who must have financial assistance.

Two of the latest editions to the Baptist Hospital services are the Walter M. Williams Memorial Library for Pastors and the Kimberly Inn Motel Units which will serve as living quarters for nurses in training.

Six new members of the Hospital's board of trustees will begin their duties in January, replacing those whose terms will expire at the end of this year. The new trustees are: Colin Stokes, Winston-Salem; Mrs. Howard Ford, Wilmington; Donald Finch, Black Mountain; Rev. M. M. Goss, Hendersonville; Dr. D. R. Perry, Durham; and Ray Bright, Bryson City. Our own Dr. Thomas Long's term expires this year.

Some churches were able to increase their gifts while others realized a decrease. Usually there is a good reason to account for any decrease a church may have realized. Our over all record is good, we were 37th last year out of the eighty associations and were one of the four associations who had a hundred per cent of the churches giving.

As your Hospital Representative, I wish to thank each church and each individual on behalf of Baptist Hospital and these needy sick who received your aid. I will be glad to help you obtain any information you need regarding our Hospital Program.

Respectfully submitted,
Ted Duffey

REPORT ON CHRISTIAN EDUCATION

With the opening of Kentucky Southern in September of 1962 and the opening of Mobile College and Houston Baptist College on their new campuses in September of 1963 Southern Baptists will be operating 73 schools: 6 seminaries and a joint operation with National Baptists of another seminary, 35 senior colleges, 19 junior colleges, 7 academies and 5 Bible Schools. Four new colleges are under consideration; one each in Maryland, Charleston, S. C., Atlanta, Ga., and St. Louis, Mo. Enrollments of total students have reached a high in 1962-63 of 80,987.

The Education Commission of the S B C is active in the following four program areas and is in need of our prayers that God will greatly bless them and us in the year ahead.

1. A Program of Christian Education Promotion and information.
2. A Program of School and College Studies and Surveys.
3. A Program of Teacher Recruitment and Placement.
4. A Program of Assistance in College Recruitment.

In North Carolina seven colleges enrolled 9,189 students as of the fall semester, 1962. Campbell College graduated its first senior class this year. Mars Hill will graduate its first senior class next year.

Special emphasis is placed upon the fact that the denominational college plays an important and vital role in the production of Christian leadership in church and community. Many great challenges face our colleges today. Pray for them and support them with time, money and youth.

In 1964, our Baptist Colleges will commemorate Christian Education Day as **Christian Vocational Day.** A day for "calling out the called" to prepare themselves and to heed the call to the ministry in education, music, evangelism, and other special related fields. A Christian Education offering is urged in our churches to help those young people answer the call to full time Christian service and to go to college. May we be "faithful unto death" as we serve, pray, and give on this year's Christian Education Day.

Respectfully submitted,
H. LeRoy Huthmacher

THE AMERICAN BIBLE SOCIETY

In 1962 important advances in the Christian world mission were made by your Bible Society.

Scripture distribution rises to a record high, with 31,523,455 copies in 1962 by the Bible Society. This is an increase over 1961 of 7,340,431 volumes.

In 1962 missions and churches overseas called upon the Bible Society for an increase of 48.3 per cent in the number of Scripture volumes required for their work and witness, a total of 17,032,704 copies in more than 100 countries, in over 300 languages.

The huge increase in the distribution of the Scriptures overseas is reflected in rises in circulation across the entire range of Bible Society publications, including Bibles, New Testaments, Gospel Portions, and Scripture Selections.

In the Society's budget for 1963, the largest single increase ($292,429) is for the distribution of the Scriptures overseas.

The Bible Society at work in the U. S. A. The need on the home front is underscored by the fact that one of every 9 people in the United States is a "language" person who does not know Christ as Saviour, one of each of the remaining 8 is destitute or in a hospital or other institution, 2 of the remaining 7 profess no connection with any church.

The Bible Society circulated a total of 14,590,751 copies of the Scriptures in the United States in 1962.

Several denominations used especially-imprinted Gospels for extensive visitation and evangelistic programs.

In 1962 the American Bible Society supplied the armed forces with 977,723 volumes of Scriptures free. The requests of the military continues to exceed the ability of the Society to provide them.

Last year 53,655 Braille volumes and Talking Book records were distributed in more than 40 languages and systems to the blind.

The Society is engaged in a greatly accelerated program of Scripture translation and revision which is providing the Biblical text in the contemporary speech of more and more people throughout the world.

The churches of the United States gave $1,191,233.11 in 1962 for the world-wide translation, publication, and distribution of the Bible through the American Bible Society, an increase of $125,583.12 over the previous year. This amount represents a very small proportion of total contributions for all church work (2¾ billion), but it does reflect a growing interest on the part of the leadership of the churches in making the Bible available to all men, and in spreading the Good News of Christ.

In 1961 Southern Baptists gave the largest amount of any single denomination, but in 1962 we fell short. Again we permitted the Methodist denomination to go on top with $206,580.84, against Southern Baptist's $158,206.98.

BAPTIST CHILDREN'S HOMES 1963

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

Hassell Lamm

THE CHRISTIAN LIFE REPORT

The deepest need in our home and church today is dedication of our Christian people. This may be brought about through Christian conviction such as set forth by the Antioch Christians. They reminded people everywhere and anywhere that Christians should live separated, dedicated and servicable lives. This is what we need to recognize and remember in the Beulah Association.

The Churches of Antioch and Jerusalem set forth examples for every New Testament Church to follow, such as family worship, family faithfulness, family stewardship and family disciples. When we as Christians follow these examples we may expect our homes and churches to be as shining lights to a lost and dying world. When we realize that the home as well as the church is responsible for building Christians character, then we will develop the type of citizens the Christian world can be proud of.

A Christian's character must consist of morality, convictions, and submission to the will of God. He must be rooted and grounded in Christian principles given to us by our Lord and Saviour, Jesus Christ. Our homes and churches should practice Holiness, especially since divorce rates are rising, crime and juvenile-deliquencency is liberal, and since we seem to have little or no Christian conviction.

We are confronted with these things not only abroad but here in our Beulah Association. We need to realize that the Bible is not to be put in the book-case or on a shelf, but needs to be in our hands, under our eyes and in our hearts that we might not sin against God. We must realize that things legally right are not always morally right and fads are fashions which are not symbolic of our Christian Hertiage.

We would urge every Christian to carefully consider what the Apostle Paul taught us in Romans 12 and 1. (To present ourselves).

Respectfully submitted,
E. L. Epperson

STEWARDSHIP REPORT

We are proud to observe the interest and spirit of missions in our association because of the connection between missions and stewardship. We can observe an increase in both fields. This is not to say we are satisfied or that we should let up in the least. There is a great need for many of our Churches to increase their giving, since the needs of the world are so great. There are many doors open for the Gospel in other parts of the world. More missionaries are needed and this requires our stewardship of possesions to send them. Also our time and talents are of vital importance.

Our Association has made great strides in stewardship in the past few years, but just think what could be done should each church and each individual become a tither. In 1962, our last complete report, the Association had 7,785 members with a total gift to the cooperative program of $36,932. Should each church have tithed their budget this figure would have been $39,722. At this point we are doing a fair job. Where would we stand should each member tithe?

We are praying that our Schools of Missions will give our churches an even greater vision concerning Missions around the world as well as here in our own homeland.

Respectfully submitted,
Clarence Bishop

CHRISTIAN EDUCATION ADVANCE

Last year our seven North Carolina Baptist Colleges had a total enrollment of more than 11,000 students. The total property value of the colleges exceeded $60,000,000. These colleges have graduated almost 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of Religious education, and leaders in church music.

The Cooperative Program is a lifeline for the Baptist Colleges due to the fact that accreditation by the Southern Association of Colleges and Schools requires a guaranteed annual endowment or income. The Cooperative Program income represents an endowment of $33,000,000, without which not a single North Carolina Baptist College at the present could meet standards for accreditation. North Carolina Baptists rank well with all denominations in supporting Christian higher education out of the total amount which they have to give.

Baptists from the beginning have believed that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ; and since we do believe that Jesus Christ is Lord of Life, we believe that Baptist churches through their colleges, as members of the covenant community, have an obligation to every area of life and culture. Thus, our fellowship comes through a covenant relationship and a sense of working together to achieve a common goal.

A fine Christian doctor said recently, "I enrolled as a freshman in a North Carolina Bapitst college at the age of 16. This college had more to do with the shaping of my life and Christian commitment than any other experience outside of my own family. I have said many times that I do not believe that my experience with Christian teachers could have been duplicated anywhere else; and as I look back over those years, I know that my personal interest and activity in the First Baptist Church in Kinston has been greatly strengthened and motivated by my experience on the campus of a Christian College."

The Council on Christian Education in addition to being engaged in a serious self-study of our Christian education program has also produced this year a pamphlet directed toward the young people in the local church who wish to attend a Baptist College. This pamphlet will show parents how to figure the actual college cost, what financial help is available, and also how to get information about these Baptist colleges and about admission procedures. Copies may be obtained by writing the Council Office, 301 Hillsboro Street, Raleigh, N. C.

REPORT OF CHRISTIAN ACTION COMMITTEE

The world-renowned Dr. Albert Schweitzer has said, "Drink is commercially our greatest wastrel, socially our greatest criminal, and morally and religiously our greatest enemy." This is true today.

The Christian Action League says that alcohol is a potent factor in the destruction of many homes, and its victims fill our prisons. It is a major contributor to the crime rate in our land which is at an all-time high and is increasing annually. The Highway Patrol says that alcohol was a factor in more than fifty percent of the fatal accidents on North Carolnia highways last year.

No indictment against this moral and social problems can be made too strongly.

The Christian Action League is an organization of the evangelical denominations of North Carolina for action in areas of common concern in the moral issues of the day. Many denominations are affiliated with the organization, and are functioning through a Board of Trustees. The financial support of the League comes from donations by the affiliated denominations, from churches and from individuals who are concerned.

The League is not engaged in partisan politics, but does seek the support of all parties in promoting legislation for the common good and in opposing legislation detrimental to the moral welfare of the state.

In particular, the Christian Action League seeks (a) to unite all who believe in moral and social evil of alcohol to a cooperative effort to educate and legislate against the problem; (b) to awaken public interest in opposing gambling, narcotic addiction, salacious literature and acts of violence and vandalism; and (c) to promote programs for the rehabilitation of the victims of alcoholism and drug addiction.

The Christian Action Committee and the Christian Action League request your concern and prayerful support for their ministry and for the ones to whom they minister.

Respectfully submitted,
Jesse Croom, Jr.

REPORT ON ANNUITY BOARD

Southern Baptists entered the field of Annuity in 1918 as a service agency to churches and denominational institutions to provide needed financial relief to elder ministers and leaders. Through the years the Annuity Board has provided many and varied supplementary plans of protection to meet the growing needs of beneficiaries. Currently a wide variety of plans and combinations are being offered to annuitants now enrolled and prospective annuitants.

The basic plans include the original Minister's Retirement Plan, the new Southern Baptist Protection Plan, and Age Security Plan. The latter is a supplemental plan in which the pastor and church may divide the cost of ten percent of any salary basis, or the pastor may pay the total cost. The Widow's Supplement Plan protects the pastor's widow. There is also the Variable Annuity Fund in which the premium cost is borne by the church or pastor on an even dollar amount.

The newest and most exciting plan is the New Life Benefit Plan, a group term life benefit program available to all churches and denominational employees. This plan went into effect October 1, 1964 when the necessary 3,000 applications were received and approved. The cost is low and the benefits are large. Information regarding all these Annuity and Protection Plans may be secured from the Annuity Secretary of our State Convention, Reverend Guy S. Cain, 301 Hillsboro St., Raleigh.

As of May 1, 1964, there were 16,251 participants in the Annuity Program for the entire Southern Baptist Convention. In North Carolina there were 1,415 participating churches and 1,608 individuals. In the Beuah Association there are 17 churches and pastors, and the associational missionary participating in one or more annuity plans.

The churches participating are:

Antioch
Baynes
Berry's Grove
Clement
High View
Kerr's Chapel
Lamberth Memorial
Longhurst
Mill Creek

Mt. Harmony
Montwood
Providence (?)
Roxboro
Somerset
Theresa
Westwood
Yanceyville

Others may have been added since the last available report from the office of the secretary in Raleigh.

NORTH CAROLINA BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptist to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving Offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

COOPERATIVE PROGRAM	36 Per Cent
THANKSGIVING OFFERING	30 Per Cent
ONCE-A-MONTH OFFERINGS	15 Per Cent
ALL OTHER	19 Per Cent

Most North Carolina Baptists are well acquainted with Charity and Children, official publicatiion of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives Charity and Children so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

In 13 years of operation, the Baptist Homes have come from one resident in one building to 160 residents in 4 buildings. There continues to be a great need to provide for the more than 170 who await admission and the hundreds of sick and invalid who cannot be cared for in our present situation.

The choicest bit of news for 1964 is the development of a 5th Home to be located at Yanceyville. Enough land and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Bradsher, to build and equip the home there. This will care for about 30 additional residents. Although this is the largest single bequest we have ever received, we must continue to look to our Baptist people for maintenance of this and the other homes and for assistance in supplementing needy residents.

North Carolina Baptists are contributing an average of $90 a month on the cost of 90 percent of the residents of our Homes. This support comes from the Special Day Offering, received on the third Sunday of February, through designated gifts from churches and individuals, and through the Homes' share in the Cooperative Program. We regret to report a 5% decrease in gifts to the Homes in 1963 but hope that in the accounting for 1964, which will be completed in September, we will be able to report a considerable increase.

Life among the residents is most interesting and varied. Many of the residents, from the youngest who is 66 to the oldest at 103, are busy in creative activities. All are praying for the world and its needs. All are expressing thanksgiving to God and to North Carolina Baptists for the happiness and security that the Homes provide for them.

Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

Mrs. Charles O. Jenkins

WMU ASSOCIATIONAL REPORT

The Woman's Missionary Union, in this year of Jubilee, has worked through the Three Point Program for Propress: (1) Aim to Advance, (2) Celebate the Jubilee, (3) Present Post-Jubilee Program.

In our associational WMU emphasis has been paced on the training of leaders for the various organizations included in WMU. Under the direction of Mrs. Alfred Staley, associational GA Director, an associational GA Leadership course was taught, and fourteen GA leaders, representing several churches, received their leadership cards. The associational president taught the WMS Leadership course to a number of members from the Providence (C) and Yanceyville Societies in April of this year. In September Mrs. Charles Jenkins, associational YWA Director, offered the YWA Leadership course to local leaders.

Six of our associational officers were able to attend the State Workshop for associational leaders which was held at Campbell College in August. With the aid of the associational WMU, Mrs. Edgar Dunevant, Sunbeam Band Director, attended WMU week at Ridgecrest this summer. This preparation is essential in leading the conferences for local leaders when they gather for the Annual Leadership Conference in the fall.

In January, under the direction of Mrs. Hassell Lamm, associational Mission Study Chairman, a Mission Study Institute was held at the Roxboro Baptist Church for the teachers of the various books in the Home Missions Series. In spite of inclement weather there were thirty-five present at this informative meeting.

The annual associational YWA banquet was held at Mt. Harmony Church in March with a large number of YWAs, their leaders, and guests present.

The annual meeting of the associational WMU met at Clement Church in March with 141 members and guests present. Highlights of the program were the election of officers and the missionary message brought by Miss Maurine Perryman, missionary to Jordan.

We urge the members of WMU to begin the study of the scriptures as presented in the Royal Service, and to continue working toward the enlistment of all eligible women and young people in Woman's Missionary Union.

SUNDAY SCHOOL

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things . . "

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrollment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrollment increase of 2% for 1965, 3% for 1996, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship — all of these wait upon outreach. People must be our concern.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Biible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and

Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Trust effort to reach thousands of Adult church members not enrolled in Sunday School, to participate in the Associational Sunday School projects—clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Our Sunday Schools in the association reported a total enrollment in 1964 of ————as compared with 6242 in 1963.

TRAINING UNION

For the fourth year in succession Baptist Training Union work in The Beulah Association has made an advance. We are showing a thirty per cent (30%) increase in enrollment and in the organization of new Training Unions. We are continuing to develop in the quality of work done. Our Associational Training Union has been recognized by The Training Union Department of The Sunday School Board as meeting "The Standard of Excellence" in Training Union work for eight quarters during the past two years, 1962-64.

For this good work done we give thanks unto the training people and may their tribe increase! We would not forget to say, "Thank you, Almighty God, for Your Divine Guidance and Help."

In the coming year we would not fail to urge the Churches:

1. To enlarge their training program by having a Training Union, and where they do have a Training Union, to make it more efficient in serving the people.
2. To promote Bible Study Week in January and Daily Bible Reading and Prayer throughout the year
3. To seek to have better programs in their individual unions.
4. To lead your Training Union to participate in the tournaments for 1965.
5. To lead your church to have "Church Membership Study Week," either the week of March, the 29th or April the 26th, 1965.

I want to thank you, Training Union people, for your cooperation, prayers, and help in this great work. Let us continue to seek God's Divine guidance and help.

CHRISTIAN LITERATURE

We in North Carolina are fortunate in having two exceptional Baptist papers: the Biblical Recorder, edited by J. Marse Grant and Charity and Children edited by Mr. John Roberts. Both of these feel that their primary purpose and mission is to serve North Carolina Baptists.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insights it can get. Our democratic form of church govenment is founded upon the belief that people will do the right thing when properly informed. To help Baptist fill these needs the Recorder and Charity and Children seek to do the following:

1. To Inform—Since Baptist cannot properly do until they are properly informed, our papers seek to publish significant news from as many sources as possible. They keep abreast of the important activities of Baptists and their agencies and institutions. As much as possible news from wider circles of the entire Christian world is presented.

2. To Interpret—Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. Daily the world becomes more complex and events and and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things and understand them with the resources of full information, plus many years of experience, our editors strive to say something about the meaning of events as well as reporting them.

3. To Influence—Like the individual Christian, Baptist publications have a responsibility to witness in the world. Proper use of all our literature will help Baptists to be better informed and thus better able to help others understand things which are happening in the world.

We recommend to all our churches The Biblical Recorder and Charity and Children.

CHRISTIAN EDUCATION

Christian education is not confined to church-related colleges and universities. Like the small grain of mustard seed, about which Jesus spoke, it is planted in the heart and soul of a small child in a home whose parents are disciples (learners) of Christ. Germinating in this Christian soil, bathed by "showers of blessings" and warmed by the love of a Christian home, the tiny seed sprouts and grows, "first the blade, then the ear, and then the full grown corn in the ear."

In this process of growth in a Christian home the child is being exposed to Christian education. Like "a tree planted by the rivers of water," the child shall develop his potentials in Sunday School, Training Union, the mission organizations, and the worship services of the church. From this cultivated and nurtured soil, the child has opportunities to grow "in wisdom and stature, and in favor with God and man."

Fortunately, North Carolina Baptist have excellent facilities to promote and develop this all inclusive growth through Christian literature in abundance, Christian schools and colleges, and Christian vocational guidance. But all these excellent facilities mean little or nothing unless parents instill in the hearts and minds of children the value, and attitude necessary to use these provisions to the fullest. The home, church, and school must join heart, hand, head, and money to provide the kind of Christian education that will "bring forth its fruit in its season."

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate Colleges, all owned, supported, administered, and loved by North Carolina Baptists, are staffed and equipped to produce and train Christian young people for every walk of life for the glory of God and a blessing to their world.

In 1944 the Council on Christian Education was born after a long period of prenatal labor and travil. From the beginning the purpose of this agency of the Convention has been "for the correlation of the work and programs in the several institutions of higher education supported by the Convention." Our colleges and this Council deserve our prayers, interest, concern, and support.

AMERICAN BIBLE SOCIETY

"God's Word for a New Age" is the theme of a program of missionary advance to provide greatly increased quantities of Scriptures urgently needed around the world. If the people of the world are to know Jesus Christ the one hope of men and nations, they must have the Bible. Each person must have the Bible in his own language because its speaks to his heart as no other language can speak. In most countries, people cannot afford even the cost of printing the scriptures. The Bible is the essential tool of missions and evangelism. The Bible itself is a missionary. It speaks to a person's heart after the missionary has gone. The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It publishes without note or comment and distributes without profit. For the blind, it supplies Scriptures in Braille and other raised-letter systems.

The goal for the years just ahead is to increase the total worldwide Scripture distribution to 150 million volumes per year. The long-range goals are:

A Bible for every Christian home
At least a New Testament for every Christian
At least a Scripture Portion for all who can read.

An opportunity for every Christian to distribute Scriptures in personal witness.

During 1963 the American Bible Society—

—rejoiced that some part of the Bible has been published in 1,216 languages: the full Bible in 231, a Testament in 290 more. There are more than 1,000 languages yet without any form of Scripture.

—gave almost a million Scripture volumes for ditsributions by Chaplains to the armed Forces and Veteran's Hospitals.

—distributed a record total of over 34 million Scripture volumes in 444 languages, in more than 120 countries.

Southern Baptist Support the Work:

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scripture they need for their people—Southern Baptist believe in the missionary importance of giving to the American Bible Society. In 1963 Southern Baptists Churches gave $167,498 to the Society. Methodist gifts were $172,771. Gifts from all churches in the U. S. A. totaled $1,120,277. Southern Baptist could lead if every church would give. Has your church given anything?

Clarence Bishop

EVANGELISM

The special five-year effort (known as Baptist Jubilee Advance), in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our association reveals the following additions to the churches of 1964:

By Baptism 338 By Letter 268 Total 606

The inevitable question arises, where do we go from here? What shall we do in 1965?

We can and must search our hearts to find God's will for us. By the presence of His power we must be obedient to His commands. Most of us need to take a fresh look at evangelism as it is in our lives and in our churches.

Evangelism—bringing people to a personal faith in Christ as Saviour—will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being in Christ and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelist in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

"These things can be accomplished."

Respectfully submitted,
Johnny J. Smith, Chm.

MISSIONS COMMITTEE

The associational Missions Committee made every attempt to meet during the past year to discuss the various aspects of its work relative to missions. There have been two or three significant things to come to the attention of this committee.

It was this committee which led in the establishment of the Somerset Baptist Mission and 1 year later in the proposal for establishment of Roxboro Baptist Chapel (now Westwood Baptist Church). Out of its recommendations to the Executive Committee of the Association and with the cooperation of the Churches in this association two new churches have blossomed into full bloom. For on the first Sunday in January of 1964 the Westwood Baptist Church was constituted with 147 Charter Members. This church as well as the Somerset Baptist Church are carrying on a full time program. The Somerset Church has moved from its temporary quarters to its completed facility. The Westwood Baptist Church is still meeting in the Earl Bradsher School with anticipation for a permanent facility in the near future. The Longhurst Baptist Church which sponsored the Somerset Church and the Roxboro Baptist Church which sponsored the Westwood Baptist Church both need to be commended for their vision and faithfulness. A mission is no stronger than what the mother church desires it to be. Thank God for these two missionary minded churches in our association.

Your Missions Committee again planned and carried through on the wishes of this association for the annual Missions Rally on the third Sunday in March at the Roxboro Baptist Church. It was disappointing that the Roxboro Church was not over flowing for this event. In any event plans are being made for the annual rally on the third Sunday of March, 1965 at the Roxboro Baptist Church as planned for by your association. If every pastor did his job he would encourage his people to attend this rally and fill the Roxboro Baptist Church. Your committee will attempt to have a worth while program that will challenge and bless the hearts of our people.

I want to thank this association for the opportuntiy of serving in this capacity. The other members of this committee are: Rev. William McCollum, Mt. Harmony; William Walker, Ca-Vel; N. H. (Nat) Whitfield, Providence(P).

Respectfully submitted,
Benjamin E. Berry, Jr., Chm.

BROTHERHOOD

A NEW CONCEPT — Out of much research and prayerful study has come a wider and more adequate concept of the nature and work of Brotherhood. This new concept may be stated as follows: "A Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and the promotion of missionary activities, designed to inform, motivate and involve men in the mission task of their church."

BROTHERHOOD AND MISSIONS — A study of the developing programs of the other church organizations reveals that the only organization in the church with a program of missionary education and and missions promotion involving men (and boys) is the Brotherhood. This means, of course, that if a church is to accept the recommendations of our denominational leaders to provide men and boys with missionary education opportunities and missionary service oppotunities, such opportunities will be offered through the Brotherhood.

BROTHERHOOD'S NEW OBJECTIVES — The new concept of Brotherhood points to the following great objectives for Brotherhood: To lead men to—

1. A deeper commitment to missions
2. A more meaningful prayer life for missions
3. A larger stewardship on behalf of missions
4. A personal involvement in missions

ASSOCIATIONAL MISSIONARY'S REPORT

The district Associational in Baptist life mas arisen out of definite needs of Baptist Churches as they were recognized by the pastors and other leaders.

As soon as Baptist churches began to be established in America, with their type of church government as independent congregations, it was evident from the beginning that there was need for some means of developing unity and fellowship between the widely scattered congregations. At first a number of representatives, or messengers, came together from various churches in what were known as "Yearly Meetings", for the purpose of fellewship, instruction in doctrine, and inspiration, with much of the time spent in preaching, often several sermons in a day, baptizing candidates, and the observance of the Lord's Supper where there was need for it.

And it is still true that the Association is a source of strength and guidance of churches in their growth and development, and as a means of cooperation in the establishment of new churches, and the evangelization of our own Nation and the World.

Perhaps the major purpose of Associational Missions is to help churches work together led by the Spirit of God in such a way as to stimulate each church to become genuinely evangelistic in its own community and genuinely missionary at home and beyond.

HERE ARE SOME OF OUR OBJECTIVES FOR THE COMING YEAR:

1. We shall encourage each church to become well organized both for its evangelistic outreach and development of its own members.

2. We shall encourage each church to provide, and properly maintain, adequate and well planned building facilities and other equipment for a worthy program.

3. We shall encourage each church to develop a plan of giving that will elicit maximum participation of its membership on a Biblical basis, and provide a worthy proportion for World Missions.

4. We shall encourage each church to provide adequate financial support (including proper housing and travel) for its minister and other staff members.

5. We shall encourage churches (where ever it is needed) and pastors to work together in such a way that the pastor can

continue his formal education.

6. We shall encourage each church in cooperation with Associational Officers and committees to develop a local mission program of its own.
7. We shall seek to work together to provide new Baptist work within our own bounds where ever needed.
8. We shall seek always to recognize that all church activity and programs should be motivated by a spirit of evangelism. No part of a church program should be classified as evangelistic and other parts something else. It all must be for evangelism (in its larger meaning).

Respectfully submitted,
Hassell Lamm, Sr.

MISSIONS REPORT: STATE, HOME AND FOREIGN

When we think of missions we are reminded of the words of Jesus in the Gospel of Matthew. "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:" This command of Jesus must be meaningful to us if we are to be mission minded. This commission is not just to be a foreign missionary, but to all places.

State Missions is the missionary effort on the part of North Carolina Baptist to reach the lost for Christ, and to teach and train the saved in Christian service.

Foreign Missions is the particular missionary effort to carry the gospel to those who do not have the opportunity to hear as we do in this county. Foreign Missions are dependent upon the local churches. Mr. Elmer West, Jr. has said, "what happens to missions around the world depends directly upon what happens to missions in the local church." The total number of foreign missionaries, as of July 16, 1964 is 1,877.

Home Missions: During the past year the Home Mission Board appointed an average of 30 missionaries each month. At the close of 1963 the board had 2,222 missionaries.

Designated offerings from our churches for various causes were as follows:

State Missions	24 churches gave a total of $6019.
Foreign Missions	29 churches gave a total of 5603.
Home Missions	31 churches gave a total of 1790.

OTHER GIFTS DESIGNATED TO MISSION CAUSES WERE:

Christian Education	13 churches gave a total of $ 543.
Children's Homes	27 churches gave a total of 2705.
Hospitals	29 churches gave a total of 2423.
Homes for Aged	25 churches gave a total of 616.
Miscellaneous	9 churches gave a total of 1115.

The total gifts through the Cooperative Program from 1963 amounted to $36,932. The previous years gifts of our churches were $36,496. Our prayer is that God would create in us a greater Missionary zeal.

Respectfully submitted,
John Finklea

MUSIC REPORT

There seems to be no available record on our Associational Music Ministry activities during the past year, so we cannot report on what was done during the year. Instead, may we share with you some thinking and plans for this year.

There will be several things done differently with our associational music ministry, first of all, we will have our Associational Music Officers form a Music Council to help formulate plans for assiting the churches in the association. We will have less officers, using only those we feel meet the needs of our association. Second, we want to use these officers at "the grass roots level, the local church, and not plan a multitude of meetings for all to attend. We hope to do more assistance on the local level with a specific situation rather than a general associational meeting. Third, we are asking all churches to fill out two forms for us: (1) MUSIC INFORMATION SHEET and (2) REQUEST FOR ASSISTANCE. These forms ask for information that will greatly help your associational music ministry plan its work, please turn these in at your earliest convience.

Respectfully submitted,
Alfred Foy

SUNDAY SCHOOL REPORT

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things."

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination — thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of approximately 30% in the next five years. We are challenged to have an enrollment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday School in our association to accept a net enrolment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship - - all wait upon outreach.

These enrollment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated many years ago by Dr. Arthur Flake — locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people — we will reach more people for Bible Study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday School is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the associational Sunday School projects — clinics, conferences, enlargement campaigns; and to attend the Sunday School weeks at Caswell and Ridgecrest. When our Sunday Schools begin moving forward, our churches will move forward.

Respectfully submitted,
W. R. McCollum

TRAINING UNION

During the past five years, Training Union work has advanced in The Beulah Baptist Association. In 1960 we had fifteen churches with Training Unions. Of these we have lost three, but we have been privileged to organize new Training Unions in ten churches. This gives us a net gain of seven churches. Our enrollment has increased thirty-three per cent (33%). We have continued to develop in the quality of Training Union work done. Our Associational Training

Union has been recognized by the Training Union Department of the Sunday School Board as meeting, "The Standard of Excellence" in Training Union work for twelve quarters during the past three years, beginning in October, 1962 and closing with September, 1965.

For this work done, we give thanks unto the Training Union people and may their tribe increase! We would not forget to say, "Thank you, Almighty God, our Heavenly Father, for your Divine Guidance and Help."

I am stepping aside in order that the association may elect Rev. W. R. McCollum to succeed me as Training Union Director. I commend him to you and pray that you will give him your full co-operation under God.

Respectfully submitted,

L. J. Rainey, Director

BROTHERHOOD REPORT

The objective of the Brotherhood is to lead men and boys to: (1) a deeper commitment to missions; (2) a more meaningful prayer life for missions, (3) a larger stewardship on behalf of missions; and (4) personal involvement in missions. The Brotherhood implements its program of missionary education and missions promotion through its four tasks. They are: (1) teach missions to all men, young men and boys; (2) lead all men, young men, and boys to participate in mission activities; (3) provide organization and leadership for special projects of the church; and (4) provide and interpret information regarding the work of the church and the denomination.

Missions is the heart of Southern Baptist work. The Royal Ambassador program can play a big role in what your church does in missions. It not only teaches boys about missions, it also leads boys to put missions into practice. Missions is every Christians responsibility. It is important for each church to say through a strong Royal Ambassador program, "We believe that missions is a man's job. We want our boys to be trained in missions."

, If your church does not have Royal Ambassador work: (1) talk with your pastor and Brotherhood president about Royal Ambassadors; (2) create interest among others; (3) enlist support for the program in your church; and (4) offer your assistance in getting a chapter started.

Respectfully submitted,
Sam Shotwell

CHRISTIAN EDUCATION

Christian education is education with a "plus." Basically, education is a teaching-learning fellowship. If the teacher is a dedicated Christian the learner will be able to seek the truth in the atmosphere of Christian influence and fellowship.

Christian education begins in the Christian home and continues in the cradle roll of the church through the adult department and on throughout the life span. The home. church, and school are inseparably joined together in the teaching-learning process of Christian education. These three teaching-learning institutions seem to be confused today concerning the real meaning of Christian education. But we can be assured that the Master Teacher was not confused. He established his church as a connecting link between the home and the school, giving special functions to the church.

The New Testament clearly establishes the basic functions of the church to worship, to proclaim, to educate, and to minister. Our concern in this report is the educational function. From the Christian view, "to educate is to lead people to the knowledge and acceptance of Christian's faith in life, to train church members to perform the functions of their churches, and to motivate them in Christian living and service." The New Testament pattern of the early churches reveal that these churches were considered basically as teaching stations. The learning process is essential to the growth of every redeemed person, and the redeemed person grows in understanding forms new attitudes, and develops actions consistant with the example of Christ through the process of Christian education.

North Carolina Baptists are fortunate to have seven Baptist institutions of higher learning. These colleges are owned and supported by the Baptist people of North Carolina. But this support is woefully inadequate to sustain a college in cost-rising age: Since our convention rejected the proposal to accept federal aid in providing buildings and equipment necessary for an ever increasing enrollment, churches and individuals must increase their gifts for Christian education. We strongly suggest that our churches either include our colleges in their budgets or make a special effort to make a worthy contribution on Christian Education Day which is observed on Father's Day.

Mrs. L. G. Elliott

MUSIC REPORT

The Music Ministry of the Association has undergone a year of transition from the old organization and the development of a new approach to begin this October. During the past year, we feel that very little concrete work was accomplished, however, the new plan for associational work seems so practical that we are looking forward to a good year for 1965-66.

We know of at least five churches who have earned study awards in Category 19 (Music Ministry) during the past associational year. We hope to increase this number for the coming year. Our work will be centered in four general areas: congregational activity, graded choir activity, instrumental activity and cooperative ministries. We have selected persons to direct each activity and serve as "resource" persons for the year. We also hope that we will be able to plan specialized conferences in several zones or areas to help with problems the local churches faces with its music ministry. We ask for your prayers and cooperation to make this a fruitful year for our associational music ministry.

Respectfully submitted,
Alfred Foy

CHRISTIAN LIFE COMMITTEE

The Christian Life Commission functions as an agency of the Southern Baptist Convention primarily for the purpose of developing Christian Morality among Southern Baptist.

The program of Christian Morality development during the past year has taken place in the general area of Christian social ethics, or applied Christianity.

One of the specific areas of activity has been family life, recognizing the family as the first institution established by God, and its importance in our social structure. We should view with growing concern the increasing difficulties in maintaining Christian unity within the home, and we feel that more careful attention should be given by the churches to the following areas of family stress.

1. The lack of parental guidance in such aspects of family living as the wise use of leisure time, family participation in cooperate worship, and proper leadership within the home.
2. The lack of understanding of parenthood as a vocation and the failure to relate this high calling of God to other vocations.

The crisis in morality has been brought to our attention in recent months, evidences of this crisis are on every hand. Can Christian confront the immorality of the age Victoriously? We believe so. Believing that righteousness exalteth a nation but sin is a reproach to any people. Believing that Christians and their church must be gripped by a Christ-like concern over anything and everything that warps human life.

CHRISTIAN ACTION LEAGUE

God at work; Christian in action: God made man, and in His wise providence, saw fit to give him, "Man" something extra that He did not give to the other animals. Now, what is this extra thing that God gave us?

Theologians call it: Soul.
Philosophers call it: Eternal Life:
Physiologists call it: Upper Brain Centers
Sociologists call it: The Power to Think.

We need not argue over what to call it, because we can all agree that we have it, because God made man in His own image. Down through the years, we have, that is "Modern" man come to look upon drunkenness as evil, but upon moderate drinking as socially acceptable. But this is a false conception which the wishful thinking of man has spawned. Shakespeare, more than 300 years ago, said in one of his plays: "O God! that men should put an enemy in their mouthes to steal away their brains." There is no dividing line. A man who drinks a teaspoonful, is a teaspoonful drunk; and a man who drinks a pint, is a pint drunk.

The Christian Action Committee, and the committee on Social Concern, organized "The Christian Action League" on February 28, 1965. The purpose of this "League" is for group action, for prayer, to study the moral evils of our day, to educate, to inform and inspire. This Christian group will challenge anything which tends to corrupt, degrade, destroy, or to demorailze the man God made in His own image. On March 24-25, 1965, Dr. D. F. McFarland, Executive Director of the C. A. L., spoke to all High School students in Person County on the evil of alcohol.

The Christian Action League will ask the County Board of Elections for a referendum in Person County to vote on "Liquor, Beer, and Wine." We are asking for this election in January 1966.

The Christian Action League of North Carolina has repuested the N. C. General Assembly that enabling legislation be passed to allow a State-Wide vote on the A. B. C. system upon the call of 15% of the voters in North Carolina, and we are hopeful of getting this in 1967.

John M. Wesley

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The four homes are: Mills Home at Thomasville with 305 residents, Kennedy Home at Kinston with 165, Odum Home at Pembroke with 24, and Greer Home at Chapel Hill with 10. There are also approximately 150 children in Foster Homes and a number of others who receive assistance through Family Services. Case work supervision is also given to a number of college students.

Children at the Homes attend the public schools and are encouraged to participate in all school activities. Opportunities for Spiritual growth and Christian committment are given on the campuses, in the cottages, and through the churches.

Inquires about the admission of children in need of care are made by relatives, pastors, interested friends, and social service agencies. When applications are submitted, professionally trained case workers make a thorough study of each situation to determine extent of need and the best possible plan for the child and his family.

Support for the ministry of child care as maintained by North Carolina Baptists comes from the following sources: Cooperative program — 36%, Thanksgiving Offering — 30%, Designations and Once-a-Month Offering — 15%, Endowment, designated support of children, and special gifts — 19%.

The need for the care of homeless and dependent children increases with the development of industry, increase in population, growth of cities, and the mounting tension which accrue to families in an urbanized society.

Several recommendations are herewith made:

First: That each Christian of this association become well acquainted with the North Carolina Baptists Childrens Homes, its facilities, and services.

Second: That prayer "without ceasing" be made in behalf of this agency.

Third: That appropriate measures be provided for the continued support of this Christian work in terms commenserate to Christian love, devotion and compassion.

Respectfully submitted,
H. Leroy Huthmacher

STEWARDSHIP REPORT

In the Bible we find many quotations concerning the use of our possessions. Following are but a few of such quotes: "Bring ye all the tithes into the storehouse." Jesus speaking of tithing said, "This ye ought to have done." Paul wrote, "Upon the first day of the week let every one of you lay by him in store, as God hath prospered him." The stewardship program of our association depends upon how our people fulfill these commandments.

The TITHE NOW, Forward Program of Christian Stewardship being promoted in many of our churches is proving to be successful. The number of tithers is increasing.

One church in the association met its budget for the year ending September 30, before the end of July. Several others report an increase in giving. The 1964 report showed a total membership in the association of 7,500 with gifts to the Cooperative Program amounting to $37,799 an increase over 1963 of $867. We believe the increase will be greater for this year.

There were 338 baptisms in 1964 compared to 208 in 1963. This number will, we believe, be increased in 1965.

Respectfully submitted,
Clarence Bishop

ANNUITY BOARD

From its beginning in 1918 the Relief and Annuity Board of the Southern Baptist Convention has been a service agency for pastors and churches. The relief program was closed to new members many years ago. At present there are only approximately 270 pastors and 440 widows receiving benefits from the relief program. Even the word "relief" has been removed from the agency's title.

Through the years many plans and supplemental plans have been created and made available to ministers, widows, denominational workers and local church employees.

Growing out of the basic program of annuity, which is the Minister's Retirement Plans, other plans have been developed and have become increasingly beneficial to both pastor and church: The Minister's Retirement Plan was closed to new members several years ago, but a much better program is now operative in the Southern Baptist Protection Plan. This program provided retirement income, widow and disability benefits to certificate holders. The maximum salary on which payments can be made is $4,000.00. There is great need and expectation that this ceiling shall be raised to include the full salary. The cost of this plan is shared by the pastor, church, and the Convention on an equal basis of five per-cent of the salary. Some churches are paying the full ten percent, while the Convention pays five percent. We strongly urge that all churches participating in this plan pay the full ten percent as a benefit to the pastors.

There are two supplemental programs in which both pastor and church may participate; The Age Security Plan, and the Variable Annuity Fund.

The Life Benefit Plan was inauguarted on October 1, 1964 and now has more than 10,000 active participants. The Health Benefit Plan became operative on October 1, 1965. This plan provides hospital benefit, surgical and major-medical protection. Full and complete information concerning all these plans may be obtained from Guy S. Cain, Secretary of Annuity Department, Baptist Building in Raleigh.

Latest report show that Beulah Association has 17 churches and 15 pastors participating in one or more plans. It is interesting to observe that 13 of these are participating in the Southern Baptist Protection Plan, but only eight of these churches are paying the full ten percent. We congratulate these churches on their love and concern for their pastors. There are four pastors and churches participating in the Minister's Retirement Plan with the pastor and church paying an equal share in the cost exclusive of five percent paid by the Convention.

Out of the 34 churches in the Beulah Association only 17 are participating in any of the annuity plans. There are 28 pastors and one associational missionary currently serving in our association, and 13 of these are not participating in the annuity program.

Respectfully submitted,
L. G. Elliott

COOPERATIVE PROGRAM

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists!

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor — that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere! "The Cooperative Program has given significant support to every state and Conventionwide cause — during the last sixteen years it has provided more than $100,000,000 for the Foreign Mission program of Southern Baptists. Truly, it IS the 'lifeline' of our total cooperative witness and service."

We are witnessing our greatest advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for a lost world — more than

1300 Baptist churches have set goals as a part of the Conventionwide emphasis to enlist 2,000,000 tithers by October, 1966. A free "Planning Kit" for tither enlistment is available from our state office for every church or pastor adopting a definite goal.

RECOMMENDATIONS

We recommend:

1. That the churches participate in the TITHE . . . NOW Emphasis.
2. That we engage regularly in prayer for cooperative causes and give special emphasis to prayer for these causes during the October Cooperative Program Emphasis.
3. That every church plan a Stewardship program in Sunday School Assembly following the fourth prayer service of the October Cooperative Program Emphasis. (Or any month suitable to the local church.)
4. That the churches give regularly through the Cooperative Program.

Let us all determine NOW to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptist launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues — the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Mrs. Charles O. Jenkins

MISSIONS COMMITTEE

The Missions Committee is composed of two pastors and two laymen under constitutional authority "to employ the associational missionary with approval of the executive committee; to exercise general supervision of the work; to work with the missionary in organizing new missions and churches; to examine and investigate credentials of churches desiring to come into the fellowship of the association; to discover and recommend new phases of missions needed in the area." We have sought to carry out the spirit of the above duties during the past year.

In addition, we sponsored and planned the associational missions rally held each year on the third Sunday in March at the Roxboro Baptist Church.

I want to thank the association for the opportunity of serving in this capacity. The other members of this committee are: Rev. Morris Jackson, Mill Creek; William Walker, Ca-Vel; N. H. (Nat) Whitfield, Providence (P).

Each year requests are made to the Baptist State Convention for Mission assistance. Last year the Association requested $1,400.00 for our missionary and received $1,380.00. This year we are asking the asociation to request $1,500.00. The Missions Committee is also recommending the following requests for Pastoral Aid be granted:

Old Lea Bethel	$ 600.00
Somerset	1,200.00
Westwood	1,200.00

It is further recommended that Lot Aid in the amount of $1,000.00 be requested for the Roxboro Baptist Church.

Benjamin E. Berry, Jr.

CHRISTIAN LITERATURE

"Mama, read me a story," or "Mama, what does it say under this picture?" Thus a very young child will first show his interest in learning. As he grows older, he learns to read — first slowly and painstakingly and then faster: The hunger for knowledge is natural and after one does learn to read all types of reading matter offers itself to the reader: Some is definitely harmful and degrading, some mediocre and some good. What a responsibility is ours to encourage people in our homes and churches to develop the right tastes in what they read! Christian literature placed in our homes, in our church libraries and studied in our organizations will aid in doing this. We may be very sure that books and magazines which are offensive and extremely harmful will be at their disposal — even pressed upon them.

As adult Christians and members of Baptist Churches we should read regularly and lead others to become interested in our Baptist papers and magazines, especially the Biblical Recorder. We know of no better way to keep informed of our work all over the world. Editor Marse Grant and his staff produce each week a periodical that is interesting, informative and inspirational. The Biblical Recorder may be subscribed for individually, in a church club or best of all, a church may have it sent into every house.

We should encourage the use of all our Baptist publications and other Christian literature, using it as a strong force to develop Chrsitian character in our people.

Mrs. L. J. Rainey

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Our Baptist Hospital has become a heaven of hope for thousands of sick persons each year throughout North Carolina. It provides the highest type of medical service for the sick in all classes. It is our means of carrying on the healing ministry of Jesus.

Our Hospital tries to meet all the needs of those who are there for treatment. For those unable to pay, it provides financial assistance insofar as its resources permit. Beyond these, it provides a spiritual ministry for those spiritually sick.

We make the following recommendaitons to our churches (1) that we be more generous in our offering for our hospital on Mother's Day; (2) that we inform our people more thoroughly, relative to the needs of our hospital; and (3) that we pray and work more faithfully for the success of this instution.

MISSIONS REPORT: STATE, HOME, AND FOREIGN

It is a real privilege and joy to serve in a denomination that is mission minded. Many times we think of missions and we think of just giving our money. If our mission program is to continue to do its work for Christ we must give of our time, our talents and our money.

The great commission is accepted almost universally, that God expects us to spread the good news to every land. As we look about us today we see that the field is white unto harvest but the workers are few. Whenever and however God calls us to this task and opportunity to serve in missions, answer His call.

Mission Offerings from churches in 1964.

Designated offerings from our churches for various causes were as follows:

STATE MISSIONS	29 churches gave a total of $1001.
FOREIGN MISSIONS	32 churches gave a total of $4817.
HOME MISSIONS	31 churches gave a total of $1774.

OTHER GIFT DESIGNATED TO MISSION CAUSES WERE:

CHRISTAIN EDUCATION	14 churches gave a total of $ 203.
CHILDREN'S HOME	28 churches gave a total of $2753.
HOSPITALS	29 churches gave a total of $2206.
HOMES FOR AGED	25 churches gave a total of $ 688.
MISCELLANEOUS	10 churches gave a total of $1549.

The total gifts through the Cooperative Program for 1964 amounted to $37,799. The previous year gifts of our churches were $36,932.

It is an accomplishment to see our mission offering increase each year. However, let us accept our mission goals and offerings as a challenge to reach and help more people in Christ name each year.

John Finklea

THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportinate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from acccumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

EVANGELISM

This past year a new concept was used in our association. Last spring we urged our pastors to do their own preaching in a "Pastor-led Simultaneous Revival." All reports were most encouraging. We pray for that spirit to continue in the years ahead.

Much of our work can be told by our record made this past year in our churches:

By Baptism 328	By Letter 185	Total 513

At every turn we hear, "How can we improve in our evangelistic efforts to reach the lost?" Of course there is no simple answer to that question. However, here are some things we should keep in mind and do as we seek to improve our efforts.

1. To remember what worked one time may, or may not work again. No plan, or program can work by itself — there must be "the spirit" first!
2. To encourage our pastors in their evangelistic preaching; to cooperate with them in evangelistic visitation; and to pray for an evangelistic spirit.
3. To make it financially possible for each pastor to attend the State Conference on Evangelism. Attend with the pastor, the associational clinic.
4. To dedicate ourselves to the task of making the claims of Christ known to every lost person in our communities.

Allow me to express my personal gratitude for the opportunity of trying to serve as your Chairman during these years. It has been such a blessing to me for I have received much more than I was able to give in return. May God lead and bless our efforts to the end that Christ might be made known, accepted, loved, and served to the glory of our Father.

Respectfully submitted,
Johnny J. Smith, Chm.

MISSIONARY'S REPORT

When Baptist churches combine together for the purpose of mutal information and concentration of effort in extending the Kingdom of God, they are called an association. The association may include an entire county, or part of a county, or even several counties.

Baptist believe that the churches are the most important units in carrying out the world-wide program of our Lord. The association and all denominational bodies and agencies are mediums through which the churches may be led to Christ.

The association is distinctly a Baptist Creation. It is a part of the Baptist program for the development of Baptist in carrying out the Lord's work committeed to Baptist.

The specific aims and objectives of the association in its work can be summarized as follows:

(1) To encourage and maintain a dynamic spirit of fellowship among the churches in the association.

(2) To know the needs of the individual churches and provide a service organization or personnel to meet these needs.

(3) To provide a suitable and effective means for the support of missionary, educational, and benevolent enterprises in the association and extending to the ends of the earth:

(4) To give friendship and incentive for growth to every pastor in the association.

(5) To serve as connecting link between the churches and the state and convention-wide denominational life.

(6) To give individual Christians a broad field of service and the opportunity to acknowledge the Lordship of Christ in daily living.

It is impossible for any church, regardless of how big or how little it may be, to carry out the command of the Lord Jesus Christ by themselves. In order to witness to every person, every church should use their association to help win the world.

Respectfully submitted,
Hassell Lamm
